THE RPS CHRONICLE
(Senior Wing)
November- December 2019

“Discipline is doing what needs to be done even if you don’t want to do it”.

Time is Money

"March on your toe,
With the head towards time;
Work with your hands,
With your heart looking at time.

A second missed is time lost,
Never be late at any cost.
Different duty, different time,
But all sing the same rhyme.

Waiting to see one good scene
will wash out the upcoming ones
Towards discipline if you lean,
will earn you the best ones.

Discipline is where value of time exists,
Desire is dream where discipline doesn't persist
Don't confuse your mind now,
But **do your work in time anyhow.**
