हिन्दी दिवस

हिंदी हमारी मातृभाषा है, जो हमें एक-दूसरे से जोड़ती है। यह केवल भाषा ही नहीं, बल्कि हमारी संस्कृति, सभ्यता और पहचान की धरोहर है। हर वर्ष 14 सितम्बर को हिंदी दिवस मनाकर हम अपनी इस समृद्ध भाषा के महत्व को याद करते हैं। हमें गर्व होना चाहिए कि हिंदी विश्व की प्रमुख भाषाओं में से एक है। आइए, हम सब मिलकर हिंदी के प्रयोग और सम्मान को अपने जीवन का हिस्सा बनाएँ।

“हिंदी दिवस का यह अवसर हमें याद दिलाता है कि भाषा से ही हमारी पहचान बनती है।”

Proficient Parenting: A Key to Student Success

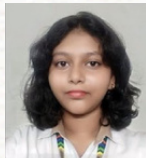

Proficient parenting helps children grow into confident, responsible individuals. Creating a supportive home with clear routines, open communication, and positive role modeling builds a strong foundation for learning. Limiting screen time, avoiding junk food, and encouraging healthy habits support better focus and overall well-being. When parents stay involved and work closely with schools, children thrive both academically and emotionally.

“Education is the most powerful weapon which you can use to change the world” - Nelson Mandela.

A good school exposes students to different cultures and perspectives, which can help them build empathy, compassion and cultural awareness. Euro International School, sector-51 offers a platform for all round development of children where they explore their interest beyond curriculum as school-life also opens up opportunities for skill development. On the whole, this month witnessed impactful activities and children can connect emphatically.
