

# EURO-51 TIMES

## MARVELOUS MARCH

# CLUB CULMINATION

We excitedly welcomed all our parents to the Club Culmination Day, a special celebration where learning came alive beyond textbooks. The event showcased our students' creativity, skills, and teamwork through various club activities, reflecting their growth and curiosity carried out throughout the year.

From art and science to music, sports, and innovation, our young learners proudly presented their journey of exploration and collaboration.

We came together to celebrate the joy of learning, confidence, and holistic development.

# HOLI CELEBRATION

**Holi brings joy, energy, and bright ideas.  
Colors inspire creativity and new thoughts.  
Friends and classmates share laughter and smiles.  
Happiness, curiosity, and teamwork shine everywhere.  
Celebrate friendship, growth, and positivity.  
Wishing you a colorful and joyful Holi!**

# PINNACLE DAY

**Our little stars had a joyful time celebrating Pinnacle Day with fun activities, laughter, and lots of smiles. It was wonderful to see their excitement and enthusiasm as they learnt, played and created beautiful memories together.**

# PARENT TEACHER INTERACTION

We believe that strong partnerships between parents and teachers create the foundation for a child's success.

We happily hosted our Parent Teacher Interaction. This meaningful interaction provided an opportunity to discuss child's progress, celebrate his/her achievements and work together to nurture every child's growth.

Together we inspire, guide and help our students bloom into their best selves.
