# SPECIAL ASSEMBLY

# PAPER BAG DAY

Paper Bag Day is observed every year on July 12. It is a day to spread awareness about using paper bags instead of plastic bags. A special assembly was conducted by 1st Mercury to show the adverse impact of plastic bags on our environment. The paper bags are environment friendly and help reduce plastic that takes a thousand years to decompose. By incorporating the habit of using paper bags our children will follow eco-friendly habits for life.

Keeping this thought in mind, Euro International School, Rewari initiated a 'Paper Bag Making Activity' on 12th July, 2024 for the students of Grade Montessori to II where our learners made paper bags by reusing old newspapers.

# VAN MOHOTSAV CELEBRATION

- PLANTATION DRIVE
