October

Message to Parents

Dear Parents,

October was a month full of exciting learning across all wings of our school.

In the ****Montessori Wing****, our youngest students engaged in hands-on activities, building foundational skills in a nurturing environment. The ****Primary Wing**** students participated in interdisciplinary projects, combining science, art, and social studies, while our ****Senior Wing**** students took on more advanced challenges, excelling in debates, STEM activities, and creative writing.

We are proud of our students' achievements and grateful for your continued support.

Warm regards,

Sunil Yadav
Principal
Euro International School, Kanina

This version is concise while still capturing the essence of the month's activities.
