Message to Parents

Dear Parents,

Feb and March was a month full of exiting learning across all wings of our school,

In the ***Montessori wing***our youngest student engaged in hands on activities building foundation skills in a nurturing environment.

The ***Primary wing*** student participated in interdisciplinary projects, combining science, art, and social studies, while our ***Senior Wing***student took on more advanced challenges, excelling in debates, STEM activities, and creative writing.

We are proud of student ' achievements and grateful for your continued support.

Warm regards

Sunil yadav

workshops

HELLO GRADE!

The workshop initiative at our school aimed to promote active learning and holistic development among students by providing them with diverse opportunities to explore new subjects, develop skills, and engage in hands-on activities outside the traditional classroom setting. These workshops were designed to complement the academic curriculum and foster a culture of lifelong learning among students.
