Message to Parents

Dear Parents,

May was a month full of exiting learning across all wings of our school,

In the ***Montessori wing***our youngest student engaged in hands on activities building foundation skills in a nurturing environment.

The ***Primary wing*** student participated in interdisciplinary projects, combining science, art, and social studies, while our ***Senior Wing***student took on more advanced challenges, excelling in debates, STEM activities, and creative writing.

We are proud of student ' achievements and grateful for your continued support.

Warm regards

Sunil yadav
