MUSINGS...

BY Ms. ANAMIKA GAUR

PRINCIPAL-EURO INTERNATIONAL SCHOOL, BHIWADI

Dear Parents, Students, and Staff,

As we step into the month of July, the school corridors echo once again with the laughter and energy of our students, filling our hearts with hope and renewed enthusiasm. This month marks not only the monsoon's arrival but also the time when our children settle back into their learning rhythm after the summer break.

July is also a reminder of growth — just as the rains nurture the earth, our classrooms nurture young minds. This month, we have witnessed our students participating wholeheartedly in various activities — from thought-provoking debates and creative projects to sports and cultural celebrations — each moment adding a new dimension to their learning journey.

I take this opportunity to thank our dedicated teachers and supportive parents who work tirelessly to ensure our students blossom into confident, compassionate, and responsible individuals. Together, let us continue to sow the seeds of curiosity, kindness, and resilience.

May this monsoon wash away all doubts and nourish dreams that grow strong roots. Wishing you all a joyful, productive, and inspiring July!

Thank you for being part of our school community.

Education is a very wide horizon itself, which covers all integral spheres of life: personality development, self grooming, mental growth towards innovations, responsive awareness towards fellowship and strength to develop rationalism in all the aspects, towards the achievements in the inner and outer life. Thereby, the aim of Euro Group of Schools stands as "Excellence in Education" guiding the students rightly towards the qualitative zone of education and excelling with it.

workshops

Hello Grade!

The workshop initiative at our school aimed to promote active learning and holistic development among students by providing them with diverse opportunities to explore new subjects, develop skills, and engage in hands-on activities outside the traditional classroom setting. These workshops were designed to complement the academic curriculum and foster a culture of lifelong learning among students.

PARENT'S FEEDBACK

Founded by IIM Ahmedabad Alumnus

**EURO INTERNATIONAL SCHOOL
BHIWADI**

Hi I am shafali vaani's mother student of M3 Tulip

I am very happy with school. Vaani is really enjoying her school and talks a lot about her teacher, her new friends and speaks about every activity that she performs at school. She is very comfortable with her teacher Mrs taranjeet and talks a lot about her too. Thank you Euro International for making my kid every day at school so interesting.
