MUSINGS...

BY Ms. ANAMIKA GAUR

PRINCIPAL-EURO INTERNATIONAL SCHOOL, BHIWADI

Dear Parents, Students, and Staff,

September is a month of balance—where the joy of festivals meets the seriousness of academics, and every day carries lessons beyond the classroom. It reminds us that education is not just about books and exams, but about nurturing values, creativity, and resilience in our children.

As the monsoon slowly gives way to the calm of autumn, let us also prepare ourselves for the next chapters—be it upcoming examinations, cultural activities, or sports events. Each opportunity is a chance to grow, to shine, and to strengthen the bond between school, students, and parents.

Let us walk together with faith in learning, confidence in hard work, and joy in achievements. September is not just another month—it is a reminder that steady progress leads to lasting success.

Thank you for being part of our school community.

Education is a very wide horizon itself, which covers all integral spheres of life: personality development, self grooming, mental growth towards innovations, responsive awareness towards fellowship and strength to develop rationalism in all the aspects, towards the achievements in the inner and outer life. Thereby, the aim of Euro Group of Schools stands as "Excellence in Education" guiding the students rightly towards the qualitative zone of education and excelling with it.
