

Dear Parents /Guardians

As we head into Winter Break, I want to wish each of you a Happy Holidays. This has proven to be another challenging year. However, there are opportunities for reflection, hope, and gratitude that we can take with us into the break and the New Year.

I would like to express my deep appreciation for the role you play in the education of our students. I want to thank our parents, and families for how much you've overcome this year and for putting our students and their academic and social emotional learning needs at the forefront this school year.

To our students, please know that your hard work, accomplishments, and resilience are noticed. Always remember that we believe in your ability to succeed, we care for your well-being, and we support your continued learning inside and outside of the classroom. We look forward to all that you'll accomplish in the New Year.

To our parents and families, I am so grateful and proud of how we've worked together as a community to support your child(ren)'s learning. We hope you'll encourage your child to stay engaged during the break by diving into a good book, spending time outdoors, or enjoying time with loved ones.

Please accept my best wishes for a winter break filled with warm moments and special memories. I hope you are able to take time to relax, recharge, connect with those you cherish, and enjoy the holiday season. I wish you good health and the hope that 2023 is an amazing year for all that are part of our GAV International Schools.

We'll see you back in January 2023!

Thanks, and regards

Principal
