Happy Children's Day & Happy Diwali

Dear Parents,

"Alone we can do so little; together we can do so much." Helen Keller.

Taking the thought forward, we are ready to bring them back to New Normal. The Covid-19 pandemic has shaken the earth under our feet, worldwide. However, we would like to count on the positives of the lockdown. Family time is one of the most important aspects of a healthy lifestyle, but in an urban set up every member has to work hard to make ends meet losing out on the quality time with family. The lockdown provided us with a wonderful opportunity. We, each one, spend quality time together playing games, cooking, and cleaning and such activities performed during the lockdown period many at times are most favourite hobbies are shelved because of lack of time. This lockdown was a great opportunity to bring people to hone their skills. Now, the spell of Covid-19 and its variants seems to get over and Festivals are also around, so we urge to pick up the opportunities that come in your way and carve the path of success by bringing proper balance between both studies and activities.

ALL THE BEST FOR THE NEW START!
