# A TRIBUTE TO **OUR INSPIRATION**

*Late Rao Pahlad Singh*

---

Late Rao Pahlad Singh, popularly known as 'Bhakat Ji', served as Police Sergeant in undivided Punjab under the British regime. The RPS Group has its foundation firmly placed in the lofty ideals of this great visionary.

His brilliant son, Dr. O.P. Yadav, inherited the true sacraments and created RPS Group of Institutions which could explore 'innovative educational routes through rock-solid roots'. After proving its mettle in the state of Haryana, the Group is all set to spread its horizons across the country.

The RPS family is paying rich tribute to the forefather by spreading the light of education in its truest sense. May the divine presence of our guardian angel keep inspiring us to march forward with confidence and conviction.

# A TRIBUTE TO **BAUJI**

**Late Dr. (Adv.) O.P. Yadav**

**Founder Director, RPSGOI**

*(January 21, 1943 – August 27, 2022)*

## Living On...

*Do not stand by my grave, and weep.*

*I am not there, I do not sleep.*

*I am the thousand winds that blow | I am the diamond glints in snow*

*I am the sunlight on ripened grain, I am the gentle, autumn rain.*

*As you awake with morning's hush | I am the swift uplifting rush*

*Of quiet birds in circled flight, I am the day transcending soft night.*

*Do not stand by my grave and cry,*

*I am not there | I did not die.*

Late (Adv.) Dr. O.P. Yadav, Founder and Director of RPS Group of Institutions, was a visionary in the truest sense of the word. Fondly called 'Bauji', the great scholar is credited with being among the pioneers in Haryana who lit the flame of education in the state bright and made the masses aware that the only way towards progress is through the realms of education. Taking inspiration from the dynamic persona of his father, Rao Pahlad Singh, he founded RPS Education Society in 1998 and steered Mahendergarh in the direction of becoming an Educational Hub that found recognition across the country.

Born in the village Kanina in Haryana on January 21, 1943, he was a child blessed with the spark to make impossible things possible. Actuated by his passion for serving his motherland, he initiated his career with the Indian Air Force in 1962 and dedicated 15 prime years of youth to the forces. This brave heart fought for the nation in the 1965 and 1971 Indo-Pak wars.

A true 'Karmayogi' as Dr. Yadav was, relinquishing Air Force never meant enjoying a slow-paced, post-retirement life. His fiery oratory found its rightful place in the Judicial System where he served the Mahendergarh District for 32 years. Bauji was the epitome of courage and conviction. His life was an inspiring saga of commitment to education to which he devoted himself entirely and left an incredible legacy for generations to come. He was very popular with students and staff alike. He was always proactive and wanted to try out new ideas with a 'childlike' enthusiasm.

A man so noble, a man who has left a deep imprint on each and every person associated with him, a man who worked incessantly for the improvement of the education system, is no more with us, today. But he will forever remain in our hearts, guiding us from his abode up in Heaven.

At Indus RPS, imparting quality education can be thought of as the transmission of the values and accumulated knowledge of society for the holistic development of each child and to direct them towards their greater role in society in an efficient way. It is rightly said that educating the mind without educating the heart is not education. Even as we impart education to match the advancements in technology and processes, we guide our children towards the right principles, ethics and moral values. We offer our students a stress-free learning environment that encourages creativity and critical thinking. Our unique teaching and learning process, with a proper blend of theory and practice, has taken us to the next level of excellence.
