"I cannot express how grateful I am for my college experience. From the moment I stepped onto the RPS Group of Institutions campus, I knew I had made the right choice.

The professors were not only knowledgeable but also genuinely cared about our success. They went above and beyond to ensure we understood the material and provided us with valuable guidance. The diverse range of courses and majors allowed me to explore different fields and discover my true passion. The college also provided numerous opportunities for internships, research projects, and networking, which greatly enhanced my learning experience. I made lifelong friends and created unforgettable memories. I am proud to say that my college has prepared me well for the professional world and I am confident in my abilities. Thank you, RPS GDI, for shaping me into the person I am today."

"Working with the talented graduates from RPS Group of Institutions has been a rewarding experience for our company. Their strong academic foundation, combined with their excellent interpersonal and problem-solving skills, have made them valuable assets to our team. We highly recommend RPS Group of Institutions for producing top-notch professionals who are well-prepared for the corporate world."

*Ankur Diwedi

NIIT has had the pleasure of collaborating with RPS Group of institutions for our recruitment needs. The college consistently delivers highly skilled and motivated graduates who seamlessly integrate into our workforce, making a significant impact on our organization. Their commitment to fostering practical skills and professional development is commendable, making them an invaluable partner in our talent acquisition strategy.
