

ACTIVITY NO. - 1

**WEBINAR ON SEMICONDUCTOR &
ITS IMPACT ON SOCIETY-DATED 24th
January 2024**

RPS
GROUP OF INSTITUTIONS
Under the aegis of RPS Education Society, M/Garh

Department of Electronics &
Communication Engineering

Organises webinar on
**Semi-Conductor
& its impact
on Society**

on **24th January, 2024**
(Wednesday)
01:00 PM-03:00 PM

Dr. Kamal Sharma
Professor,
Ambala College of Engg. & Applied Research

A Webinar on **Semiconductor & Its Impact on Society** is organized by Electronics and Communication Engineering under ELCOM CLUB. On January

24, 2024, our B- Tech ECE 2nd Year students had the privilege of attending an enlightening expert talk by the esteemed, **Dr. Kamal Sharma, Professor, Ambala College of Engineering and Applied Science**. The session was a valuable addition to our academic journey, offering profound insights into the world of Electronics Communication Engineering.

Dr. Mahesh Kumar Yadav, our Director Sir extended a warm welcome to **Dr. Kamal Sharma**. His words emphasized the significance of such expert talks in enhancing the learning experience for our students. The session was graced by the presence of our esteemed faculty members, **Prof. Sandeep Head of Department** who added to the academic fervor by actively participating in the talk.

The talk covered a spectrum of topics relevant to the field of Electronics and Semiconductors devices, providing our students with valuable insights and knowledge that goes beyond the classroom. Students had the chance to interact with Dr. Kamal Sharma, fostering connections and gaining a broader perspective on the current trends and developments in the field of semiconductor devices.

A big thank you to Dr. Kamal Sharma for sharing his expertise and to all the students and faculty members Dr. Monika kiroriwal, Dr. Niranjan Yadav, Mr. Dinesh and Mr. Sandeep Kumar who actively participated in making this event a success.

Sandeep
Head of Department
