## Minutes of the Meeting

On April 27<sup>th</sup>, 2023 at 11:00 a.m. in the office of the Director, the Governing Body of RPS College of Engineering & Technology had a general meeting. The main agenda of the meeting is to have a full review of recent feedback collected from students, faculty members, alumni and employer for the academic session 2022-23.

Following members have attended the meeting:

1. Dr. Pavitra Rao, Chairperson.
2. Er. Manish Rao, C.E.O.
3. Dr. Mahesh Kumar Yadav, Member, Director RPSGOI.
4. Dr. Devender Yadav, Member, Registrar RPSGOI.
5. Sh. Rajender Singh, Member, Dean (Academics) RPSCET.

During this meeting, following points were discussed:

1. Feedback on syllabus and curriculum was collected from students, faculty members, alumni and employer for the academic session 2022-23. It was completely analyzed and detailed report was put forward and it has been decided that syllabus of some of the classes of UG course need to be improved. However, CBCS system has already been implemented in the PG (MBA & M.Tech) and UG (Engineering). As our college also follows the syllabus as prescribed by the University but we can communicate and suggest to higher officials of University regarding updating the syllabus as per industry requirements.
2. College collected feedback from all the students regarding output of the faculty members department wise in the academic session 2022-23. Detailed report of the same was prepared department wise and put forward for further analysis. It has been observed that feedback of most of the faculty members is fine and satisfactory. However, some points like communication skills, use of resources and their approachability beyond class hours in respect of some of the faculty members need improvements.

3. It has been decided that for better development of the students, provisions for in-house training for the Engineering students should be made so that the students can get training and enhance their technical skills conveniently.
4. More emphasis should be given on Practicals/ experiential learning.
5. Co curricular activities should also be included for the overall development of the students.
6. Extra classes/ doubt classes provision should be made so that weak/slow learner students can improve their subject knowledge.
