ORDINANCE

Choice Based Credit System Applicable To All Post Graduate Two Year and Three Year Programmes (Excluding M. Pharma)

This ordinance shall apply to all two year and three year postgraduate programmes being run in the University Teaching Departments and the affiliated colleges of the University.

Notwithstanding anything contained in any rule for 2-Year or 3-Year PG Programme, this ordinance shall apply to every student/course of 2-year or 3-year PGs programme being run by the University or its affiliated colleges.

Definitions of Key Words

- (i) Choice Based Credit System (CBCS): The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).
- (ii) Programme: An educational programme leading to award of a Degree, diploma or certificate.
- (iii) Course: Usually referred to as 'paper' is a component of a programme. All courses need not carry the same weight. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures, tutorials/laboratory work/ field work/ outreach activities, project work, vocational training/viva-seminars/term papers-assignments, presentations, self-learning or a combination of some of these.
- (iv) Semester: Each semester will consist of 15-18 weeks of academic work with 100 actual teaching days. The odd semester may be scheduled from July to December and even semester from January to June.
- (v) Credit Based Semester System (CBSS): Under the CBSS, the requirement for awarding a degree or diploma or certificate is prescribed in terms of number of credits to be completed by the students.
- (vi) Credit: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical/field/dissertation work per week.
- (vii) Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F.

2. **For a two year PG programme:** A supplementary examination for 1st & 2nd semesters shall be held along with their regular 1st & 2nd semester examinations. However, the supplementary examination for 3rd and 4th semesters shall be held after every six months.
3. **For a three year PG programme:** A supplementary examination for 1st, 2nd, 3rd & 4th semesters shall be held along with their regular 1st, 2nd, 3rd & 4th semester examinations. However, the supplementary examination for 5th and 6th semesters shall be held after every six months.
4. A student who for whatever reasons is not able to complete the programme within the normal period or the minimum duration prescribed for the programme may be allowed three years period beyond the normal period to clear the backlog to be qualified for the degree. The general formula, therefore, should be as follows:

Time span = $N+3$ years for the completion of programme, where N stands for the normal or minimum duration prescribed for the completion of programme.

No further extension will be allowed, in any case.

5. Theory paper will have marks in the ratio of 80 per cent (67 per cent for M.Tech.) external and 20 per cent (33 per cent for M.Tech.) internal, the weightage of the marks assigned to it.

The grade points awarded to a student in any particular course paper will be based on the performance of the student in the internal assessment (sessional tests, attendance and assignments, presentations) and the external assessment (end semester examination) taken together.

The distribution of the weightage of marks in the internal assessment other than M.Tech Programme will be as under:

Sessional Test 10 marks

Assignment/presentation 5 marks

Attendance* 5 marks

* Distribution of the marks for attendance is as under:

Percentage of the Attendance	Marks
65 per cent to 70 per cent	2
Above 70 percent and up to 75 per cent	3
Above 75 percent and up to 80 per cent	4
Above 80 percent	5

For M.Tech. Programme:-

Sessional work in each course shall be evaluated by the teacher concerned and awards will be forwarded to the Controller of Examination by the Head of UTD or Director/Principal of the College before the commencement of the each semester examination. The awards shall be based on the objective assessments of performance of student in the class, sessional tests, assignments, etc. as given from time to time in a Theory/Laboratory/ Seminar/Dissertation course. The evaluation shall be based on the weightage of different components of the sessional marks as given under:-

Theory Courses	Attendance	20%
	Assignment/Project/Term Paper	20%
	Sessional Tests	60%
	(Two test having equal weightage)
