## Celebration of National Technology Day

### Introduction

Every year National Technology Day is celebrated across India on 11<sup>th</sup> May. It was on 11<sup>th</sup> May, 1998, that India achieved a major technological breakthrough by successfully carrying out series of nuclear tests at Pokhran. Also the first, indigenous aircraft "Hansa-3" was tested on this day, besides India has also performed successful test firing of the Trishul missile on the same day. Considering the technological advancements, the then Prime Minister, Shri Atal Bihari Vajpayee, declared 11<sup>th</sup> May to be celebrated as National Technology Day every year.

### Objectives

The major objective of the programme is to generate awareness among the students, academia, general public etc. about the importance of Technology, its utility for the overall development of the country and its benefit for mankind.

For observing National Technology Day different activities such as lectures, seminars, contests on electronics modelling like IC's etc., declamation contest, poster competition, exhibition etc. would be organized by the concerned institute with the help of experts/resource persons.

### Eligibility

Proposals for celebration of National Technology Day will be invited from technical institutions such as engineering colleges, polytechnics, industrial training institutions and university departments of engineering situated in Haryana state.

### Methodology

The National Technology Day (NTD) will be celebrated in the concerned institute on 11<sup>th</sup> May every year. If the institutions find it difficult to arrange the programme on the proposed date, they may organize the programme on a convenient date during 5<sup>th</sup> to 15<sup>th</sup> May. The concerned institute will constitute a committee consisting of 3 teachers who will plan the activities/schedule of the activities to be organized and coordinate for conducting for different programmes on the National Technology Day. The institute may invite experts from different engineering and technological sectors for delivering lectures and for interaction with the students. The students of the host institute and from the nearby technical institutions may be informed about the date and detail of the activities to be organized on NTD well in advance. The head of the institution will appoint a committee of 3 judges for evaluating the performance of the students. The winners of the different activities such as quiz contest, declamation contest may be awarded suitably.

### Financial Support

The proposals received from different technical institutions will be examined by the committee consisting of Principal Scientist (SG) & Scientific Engineer (A) SG S&T Department. The extent of financial assistance from HSCST will be as under: -

Subject: Request for blessing the National Technology Day Celebration as Judge.

Hon'ble Sir,

I have great regards in informing that RPS College of Engineering & Technology is celebrating National Technology Day-2018 by organizing "Project and Model Exhibition" on May 12, 2018. The programme is supported by Haryana State Council for Science & Technology, Department of Science & Technology, Government of Haryana. The main objective of the programme is to generate awareness among the students, academia and general public about the importance of technology and its utility for the overall development of the country and benefits for the mankind.

It is expected that approximately 25 teams of various engineering and polytechnic colleges will participate in the exhibition and best three projects will be awarded with cash prizes.

In View of the above, I request your benign presence in the exhibition as Judge on 12<sup>th</sup> May 2018 from 10 a.m. onwards at this Institute.

With Warm regards.

**Subject: - Proposals for celebration of National Technology Day-2018**

Please refer to the subject cited above.

Every year national technology day is celebrated across India on 11<sup>th</sup> May. It was on 11<sup>th</sup> May 1998, that India achieved a major technological breakthrough by successfully carrying out series of nuclear tests at Pokhran. Also the first, indigenous aircraft "Hansa-3" was tested on this day, besides India has also performed successful test firing of the Trishul missile on the same day.

In this regard proposals are invited for celebration of National Technology Day (NTD) on 11<sup>th</sup> May 2018 from the technical institution such as engineering college, polytechnic, industrial training institution and university department of engineering situated in Haryana state. The detailed scheme along-with the application format and the copy of the advertisement released in newspaper can be downloaded from the website of the office i.e. <http://www.dstharyana.org/html/whatsnew.htm>. The copy of the advertisement released in the newspaper is enclosed herewith for your reference.

It is therefore, requested to give wide publicity to this scheme and forward the same to all the engineering colleges and polytechnics with the directions to send the proposals in the prescribed format within one month from the date of publication i.e. upto 06.04.2018.

Subject : Request for blessing the National Technology Day Exhibition as Guest of Honour.

Hon'ble Sir,

I have great regards in introducing the RPS Educational Institutions who have been rooting the records of achievements for the past 19 years since inception. RPS institutions have proved that private enterprise in education can produce the greatest results with no strain on the Government exchequer.

In spite of being in rural area, RPS Institutions have produced students who are self-reliant, confident and versatile with the courage of conviction and endowed with a spirit of adventure and creativity. Above all, RPS nurtures good human beings, who are upright citizens with a strong moral fiber, ready to be the torchbearers of a resurgent India of the 21<sup>st</sup> century which proves the right vision, determination, altruism and sound management.

The RPS College of Engineering & Technology is celebrating National Technology Day by organizing an exhibition on May 05, 2017. The main objective of the programme is to generate awareness among the students, academia and general public about the importance of technology, its utility for the overall development of the country and its benefits for mankind. The programme is supported by Haryana State Council for Science & Technology, Department of Science & Technology, Government of Haryana.

In view of the above, I request your benign presence in the exhibition as Guest of Honour on 5<sup>th</sup> May 2017.

With warm regards.

**Subject:** Proposals for celebration of National Technology Day-2017

Please refer to the subject cited above.

Every year national technology day is celebrated across India on 11<sup>th</sup> May. It was on 11<sup>th</sup> May 1998, that India achieved a major technological breakthrough by successfully carrying out series of nuclear tests at Pokhran. Also the first, indigenous aircraft "Hansa-3" was tested on this day, besides India has also performed successful test firing of the Trishul missile on the same day.

In this regard proposals are invited for celebration of National Technology Day (NTD) on 11<sup>th</sup> May 2017 from the technical institution such as engineering college, polytechnic, industrial training institution and university department of engineering situated in Haryana state. The detailed scheme along-with the application format and the copy of the advertisement released in newspaper can be downloaded from the website of the office i.e. <http://www.dstharyana.org/html/whatsnew.htm> and must be submitted through head of institution/department.

It is therefore, requested to forward the proposal from your institution. The last date for receipt of proposals in this office is 15<sup>th</sup> March, 2017. The proposals not signed by the Head of the institution/department and received after the last date will not be entertained. The office will not be responsible for postal delay or any administrative delay.

## Celebration of National Technology Day

### Introduction: -

Every year National Technology Day is celebrated across India on 11<sup>th</sup> May. It was on 11<sup>th</sup> May, 1998, that India achieved a major technological breakthrough by successfully carrying out series of nuclear tests at Pokhran. Also the first, indigenous aircraft "Hansa-3" was tested on this day, besides India has also performed successful test firing of the Trishul missile on the same day. Considering the technological advancements, the then Prime Minister, Shri Atal Bihari Vajpayee, declared 11<sup>th</sup> May to be celebrated as National Technology Day every year.

### Objectives: -

The major objective of the programme is to generate awareness among the students, academia, general public etc. about the importance of Technology, its utility for the overall development of the country and its benefit for mankind.

For observing National Technology Day different activities such as lectures, seminars, quiz contest, declamation contest, poster competition, exhibition etc would be organized by the concerned institute with the help of experts/resource persons.

### Eligibility: -

Proposals for celebration of National Technology Day will be invited from technical institutions such as engineering colleges, polytechnics, industrial training institutions and university departments of engineering situated in Haryana state.

### Methodology: -

The National Technology Day (NTD) will be celebrated in the concerned institute on 11<sup>th</sup> May every year. If the institutions find it difficult to arrange the programme on the proposed date, they may organize the programme on a convenient date during 5<sup>th</sup> to 15<sup>th</sup> May. The concerned institute will constitute a committee consisting of 3 teachers who will plan the activities/schedule of the activities to be organized and coordinate for conducting for different programmes on the National Technology Day. The institute may invite experts from different engineering and technological sectors for delivering lectures and for interaction with the students. The students of the host institute and from the nearby technical institutions may be informed about the date and detail of the activities to be organized on NTD well in advance. The head of the institution will appoint a committee of 3 judges for evaluating the performance of the students. The winners of the different activities such as quiz contest, declamation contest may be awarded suitably.

### Financial Support: -

The proposals received from different technical institutions will be examined by the committee consisting of Principal Scientist (SG) & Scientific Engineer (A) SG S&T Department. The extent of financial assistance from HSCST will be as under: -

- |  |                   |
|--|-------------------|
| 1. Polytechnic/ITI   | Rs. 10,000/- each |
| 2. Engineering college/University<br>Department of Engineering | Rs. 20,000/- each |

इंजीनियरिंग के तीन विद्यार्थियों ने आपदा को चुनौती मानते अवसर में बदला

# कोरोना वाई तक दवा और खाना पहुंचाने के लिए बनाया

# मेडि रोबो

सुरेंद्र दत्तल

महेंद्रगढ़ इंजीनियरिंग के तीन स्टूडेंट्स ने आपदा को चुनौती के तौर पर लेते हुए इसे अवसर में बदला। कोरोना में मरीजों के जरिये मानवता की सेवा को बचाने में अपना सहयोग किया। आरपीएस के इंजीनियरिंग स्टूडेंट्स हितेश, अमितेश, प्रहेश ने अपने आइडिया को मूर्त रूप देकर 60 नो ईंड टच सैनिटाइजेशन मशीन बनाई। इन मशीनों को सार्वजनिक कार्यालयों, अस्पताल से लेकर प्रमुख चौपटों पर लगाया गया। जिससे एक लाख से अधिक लोगों को फायदा पहुंचा। इन तीन स्टूडेंट ने प्रशासन के चैलेंज को स्वीकार करते हुए मेडि रोबो बनाया। जो संक्रमण का खतरा हिन बिना कोविड अस्पताल में मरीजों तक दवा, भोजन पहुंचाने का जरिया बना।

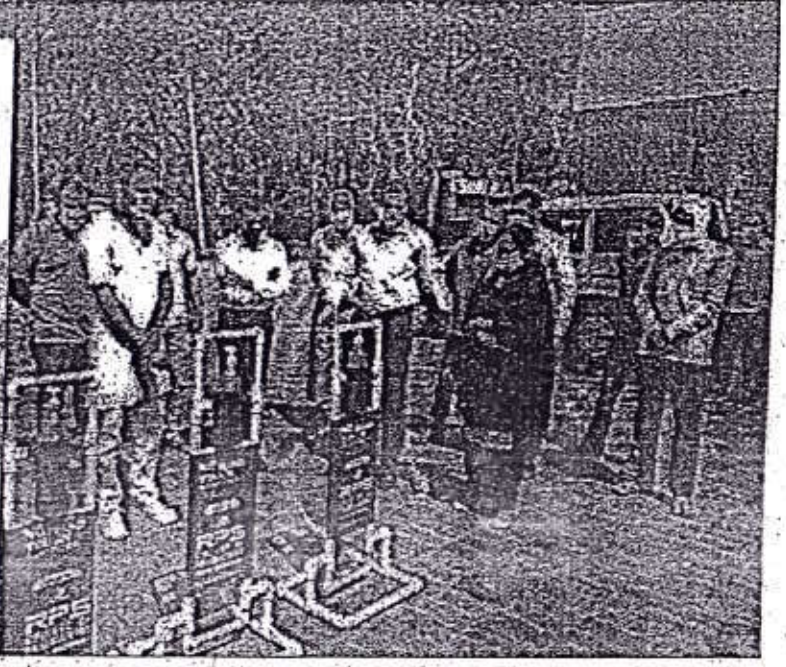

आरपीएस इंजीनियरिंग कॉलेज के विद्यार्थियों ने लोकडाउन के समय प्रशासन से विशेष अनुरोध लेकर अपने तीन आइडिया के जरिये मानवता की सेवा की। इन तीनों आइडिया को मूर्त रूप देकर मशीनों में बदला। आरपीएस कोलापटी ने इन मशीनों को अस्पतालों तक पहुंचाया। लोकडाउन में सभी अपने घरों में कैद होने को मजबूर थे। उस समय इलेक्ट्रॉनिक्स एंड कम्प्यूटेशन

7 किलो वजन ले जा सकता है रोबो

महेंद्रगढ़ में एक घर में 7 किलोग्राम वजन ले जा सकता था। इससे केयर लेने में भी बाधा होती थी। इन तीनों स्टूडेंट्स ने कोविड अस्पतालों की दवाइयों को लेकर वजन बढ़ा कर 7-800 ग्राम तक बढ़ा दिया। साथ ही इन मशीनों में सैनिटाइजेशन का भी व्यवस्था किया। अल्ट्रा वावलट डिवाइस से खुद को सैनिटाइज भी कर सकता था। मानव और पर्यावरण के दोनो को सुरक्षित रखने के लिए इन मशीनों को 35 इंच के रूप में बनाकर फ्लिप प्रशासन को दिया जून 2020 में कोविड अस्पतालों में काम करने लगा था। आरपीएस इंजीनियरिंग कॉलेज महेंद्रगढ़ के छात्रों ने कोविड के मुसीबत पर समय में समय के माहौल में काम करते हुए अस्पतालों को दवाएं के लिए पहुंचाने का चुनौती दी थी। उन्होंने सैनिटाइजिंग मशीन को कोविड से सुरक्षित बनाया। हमारे स्टूडेंट्स फॉर फ्रंट में हैं। इन अल्ट्राफोनिक को मशीनों में बदलने में कंप्यूटर साइंस की भी विशेष भूमिका रही।

डिपार्टमेंट के प्रोफेसर पंकज सोनी ने फायनल ईयर के स्टूडेंट हितेश, महेश, अमितेश को अगुआई में आइडिया पर काम करने के लिए प्रेरित किया। इन तीनों स्टूडेंट ने सैनिटाइजेशन टनल बनाई। जिसके सबसे पहले संस्करण के दरवाजे पर लगाया। इस टनल से निकलने वाला सैनिटाइज हो जाता था। टनल को अधिक स्थानों पर पहुंचाना मुश्किल था। ऐसे में इन स्टूडेंट ने दूसरे चैलेंज के तौर पर नो ईंड टच सैनिटाइजेशन मशीन बनाई। इस मशीन को पैर से दबाकर अपने हाथों को सैनिटाइज किया जा सकता था। इस एक मशीन को बनाने पर करीब 900

रुपये खर्च आया। बेहद विफायती ऐसी 60 मशीन महज दो महीने में महेंद्रगढ़, नारनौल, कानीग, अटली में सार्वजनिक स्थानों, अस्पतालों, बाजारों में चौक चौपटों पर लगाई गई। कोविड सेंटर में मरीजों तक खाना, दवाइयों सहित जरूरत बां सामान पहुंचाना बेहद मुश्किल साबित हो रहा था। कोविड सेंटर में जाने से कर्मियों को संक्रमण का अत्यधिक खतरा था। महेंद्रगढ़ एसडीएम विभ्राम कुमार ने इन स्टूडेंट के दोनो आइडिया पर नयी मशीनों को देखकर ठन्डे कोविड सेंटर में दवा, खाना पहुंचाने के लिए कोई मशीन तैयार करने के लिए चुनौती दी।

महेंद्रगढ़ अस्पताल में ऑटोमेटिक सैनिटाइजर मशीन के संचालन की जानकारी देती मनीषा रावता।

## Dr Pavitra Rao

### Chairperson, RPSGOI

"Teaching is the greatest act of optimism."

\*A seasoned educationist born in the family of educationists who dedicated her life to the noble cause of women-empowerment and emancipation of less-privileged children in the remote areas of Mahendergarh, the place which was once considered a backward area, is now known as the education hub not only of Haryana, but whole of the North-India.

\*Started RPSGOI with the scratches and rose up to the strength of 45,000 students studying in 17 schools and colleges; Engineering college, B.Ed college, Degree College, College of Veterinary Sciences etc. across the states of Haryana and Rajasthan, under her chairperson-ship.

\*Well-groomed under her diligent and compassionate leadership, hundreds of students of RPS Group are now serving as worthy citizens of India as Engineers, Doctors, Officers in Indian Armed Forces, Educators and Bureaucrats.

\*Providing free education to more than 300 students in RPS Schools. Raising awareness about environmental issues, girl child and women empowerment actively.
