About RPSGOI, Balana, Mahendergarh

Dr. O.P. Yadav, Founder Director, RPS Group of Institutions, was a 'Change maker' in the truest sense of the word. Fondly called 'Bauji', the great visionary is credited with being among the pioneers in Haryana who lit the flame of education in the state bright and made the masses aware that the only way towards progress is through the realms of education. Taking inspiration from the dynamic persona of his father, Rao Pahlad Singh, he founded RPS Education Society in 1998 and steered Mahendergarh in the direction of becoming an Education Hub that found recognition across the country.
