ORDERS

Audit Committee on Green Practices:

In tune with the recommendation of Board of Governors (BoG) in its meeting held on 12th September, 2021, Audit Committee on Green Practices is constituted with the following members to submit a detailed report on green practices at RPS CET, Balana, Mahender Garh.

A committee to assess the green initiatives and suggest corrective measures to enhance the college profile and acts as an environmental quality assessment body (GREEN CAMPUS) that aimed at performing the green audit of the college.

Members of the Committee:

Sr. No.	Name of the Member	Designation
1.	Dr. Mahesh Kumar Yadav	Chairman
2.	Mr. Sumit Saini, HoD, Applied Sciences	Member
3.	Mr. Sandeep Yadav, HoD, CE	--do--
4.	Mr. Karambir, HoD, ECE/EE	--do--
5.	Mr. Gajanand, HoD, ME	--do--
6.	Ms. Geetanjali Gandhi, HoD, CSE	--do--

The committee is requested to submit a detailed report in 30 days.

Principal
R.P.S. College of Engg. & Tech

GREEN AUDIT REPORT

INTRODUCTION

In tune with the recommendations of the BoG in its meeting held 12th September, 2021 on Green Practices is constituted to assess the green initiatives and suggest corrective measures to enhance the college profile.

The purpose of the audit was to make sure that the practices followed in the campus are healthy and environment friendly. With this in mind, the specific objectives of the audit were to evaluate the degree to which the college is complying with the applicable regulations, policies and standards and to ensure that the development of the college aims at sustainable development and green campus.

OBJECTIVE OF THE AUDIT:

Green Audit is defined as systematic approach to identify, quantify, record, analyse and report the components of environmental diversity viz. Green practices, Energy Conservation, water, waste water. Air, soil and Solid wastes.

The Green Audit aims to analyse environmental practices within the portals of the college, which will ensure the eco-friendly ambience.

1. More efficient resource management.
2. To provide basis for improved sustainability.
3. Audit the green campus initiatives:
 - (a) Energy Audit.
 - (b) Environment Audit.
 - (i) Impact environmental education through systematic environmental management approach and benchmarking for environmental protection.
 - (c) Water Audit.
 - (d) Water Management.
 - (ii) To enable waste management through reduction of waste generation, solid waste and water recycling.
 - (iii) Recognize the cost saving methods through waste minimizing and managing.
 - (e) Point out the prevailing and forthcoming complications.
 - (f) Financial savings through a reduction in resource use.

M. Yadav
Principal

- (g) Improvements in college profile.
- (h) The methodology used included physical inspection of the campus and review of the relevant documentation.

The audit procedure tried to meet the terms of standards of internal auditing. In our decision, sufficient and appropriate audit procedures were followed and evidence gathered to support the precision of the conclusions reached and contained in this report. The conclusions are based on a comparison of the situations as they existed at the time of the audit.

SUMMARY OF FINDINGS:

The main findings of the audit are-

1. All the staff members and students are aware about the need for environmental issue. But deeper knowledge of the environmental issues and corrective measures must be imparted to faculty members, staffs and students.
2. It was also observed that a number of best practices such as maintaining garden, planting trees in the campus, compost generation out of bio-degradable waste to ensure a proper waste management technique etc. are followed in the campus.
3. However, on detailed review, it was observed that many of the practices followed in the college are still in budding stage and needs further nurture. In addition, certain processes could benefit from further review in order to improve their efficiency, effectiveness and consistency.

ABOUT THE SOCIETY:

Rao Pahlad Singh Education Society has established new dimension in the area of Education by establishing a chain of Educational Institutions such as RPS Senior Secondary School, Mahendergarh since 1998, RPS College of Education Mahendergarh since 2007, RPS Group of Institutions Mahendergarh (Engineering & Management) since 2008, RPS (PG) Degree College Mahendergarh from 2012 and RPS Senior Secondary School, Rewari from 2012, RPS Public School Dharuhera from 2014, RPS Public School Narnaul from 2015 and other Campuses at Hansi, Gurugram (Sec. 50 & 89), Kosli and Behror.

Sh. O. P. Yadav, a senior criminal lawyer and social activist, is the founder-director of RPS Education Society. RPS Group of Educational Institutions under the Chairpersonship of Mrs. Pavitra Rao, a distinguish academician, has been established with a sole vision – 'Education to all'.

RPS Group of Institutions (Engineering & Management) has been established in the remote area of the so called economically & educationally backward society. The people of this area have never been dared to think beyond becoming 'Sepoy' in Military, Agricultural and cattle work that have always been the prime source of the livelihood of the dwellers of this region. But honb'le O. P. Yadav has high aspirations and noble consideration for the people of this area. Therefore, the RPS Group of Institutions (Engineering & Management) has been established with a vision to spread the light of technical enlightenment to every nook & corner of this educationally backward area. Mr. Manish Rao is behind the vision of this pioneer Institute who himself is an Engineer.

RPS Group of Institutions (Engineering & Management) is approved by AICTE/Govt. of India & Affiliated to I. G. U. Rewari. It is a blend of Social Activists, Lawyers, Technocrats & other professionals. One of the objectives of it is to impart quality education in the field of Science, Technology & Engineering in order to produce highly competent scientists, professionals, engineers who make significant contribution to the mission of nation building.

ABOUT THE COLLEGE:

RPS Group of Institutions was established in 2008 as RPS College of Engineering & Technology offering B.Tech. Courses in Computer Science & Engineering, Mechanical Engineering, Information Technology and Electronics & Communication Engineering. In 2010, RPS Institute of Management offering MBA, BBA & BCA degree was established. In 2011, both the institutes were merged and renamed as RPS Group of Institutions (Engineering & Management). In 2011, B.Tech. programme in Civil Engineering was introduced with the annual intake of 60 students. In 2012, the institute started M.Tech. programme in Computer Science & Engineering with the annual intake of 18 students. In 2013, the institute introduced the Electrical Engg. in B.Tech. programme and M.Tech in Electronics and Communication Engineering and Mechanical Engineering.

O.P. Yadav
Principal

RPS College of Enng. & Tech
Balana Mohindergarh (HR.)

branches with annual intake of 60,18 & 18 students respectively. In the year 2015, RPS Polytechnic College offering Engineering Diploma in Mechanical and Civil branches with annual intake of 60 seats each was established. As of now RPS Group offers **B.Tech. programme in CSE, ECE, ME, Civil and EE branches, M.Tech. in CSE, ECE and ME** along with full time **MBA, BBA & BCA, and Polytechnic Diploma in Engineering in Civil and Mechanical Engg.**

The RPSGOI has highly qualified and dedicated faculty and committed supporting staff that along with state of the art laboratories are committed to develop the students as skilled engineers and managers ready to serve as resource persons anywhere in India and abroad.

METHODOLOGY:

The Green Audit is divided into three stages:

1. The Pre Audit Stage:

- (a) In this stage, meetings provided an opportunity to support the capacity and objectives of the audit and enable discussions on the feasibility associated with the audit.
- (b) The meeting provides the first opportunity to meet the audit and deal with several practical knowledge and concern.
- (c) The audit procedure and audit plan was handed over at this meeting and discussed in advance of the audit itself.
- (d) At RPSCET, the planning of audit processes was discussed in the pre audit meeting and audit team was also selected with the help of management and Principal.
- (e) The management has shown commitment towards the green auditing during the pre audit meeting.
- (f) They were ready to encourage all green activities. It was decided to promote all activities that are environment friendly after the green audit.

The Audit Stage:

- (a) This stage encompasses of the team selection and field works performed.
- (b) This stage also focused on the methodology adopted.

Principal
R.P.S. College of Engg. & Tech
Balana Mohindergarh (Haryana)

- (c) Green Audit team focused on material issues pertaining to college which have the highest influence on the green attributes of the college.

The Post Audit Stage:

- (a) This stage ensures formulation of draft findings and sent to management for response.
- (b) Since the audit is done internally, it was important to ensure management approval for the draft.
- (c) After getting the draft approval, the audit team went for final report formulation.

WATER MANAGEMENT COMMITTEE:

The following subcommittee is constituted to audit the water management system of our college-

- | | |
|--------------------------------|----------|
| 1. Mr. Sandeep yadav, HoD, CE | Convenor |
| 2. Mr. Manish, Asst. Professor | Member |
| 3. Mr. Vikram Yadav, AO | ---do--- |
| 4. Mr. Ramniwas, caretaker | --do--- |

Student members:

- | | | |
|--------------------|---|---------|
| 5. Mr. Savin Kumar | - | 20MBA07 |
| 6. Mr. Arvind | - | 20MBA33 |
| 7. Mr. Hritik | - | 19EE05 |
| 8. Mr. Lokesh | - | 19EE06 |
| 9. Mr. Eshu Saini | - | 19ME04 |
| 10. Mr. Keshav | - | 21BBA35 |

Principal
R.P.S. College of Engg. & Tech
Balana Mohindergarh (H.F.)

Water Management Facilities:

Sr. No.	Name of the Item	Quantity
1.	Overhead tanks	2
2.	Head tanks	2
3.	RO System	2
4.	Pipeline system	2 sets
5.	Taps	100

REPORT:

- Repair sources of water leakage, such as dripping taps.
- Regular checking and maintenance of pipelines are done to control water wastages.
- Minimize wastage of water and use of electricity during water filtration process.
 - . College has RO filters installed in main building at all floors with energy efficient power control facility.
 - . Uses an efficient and hygienic water storage mechanism to minimize the loss of water.
- The college tube wells ensure 24*7 water availability. An automatic switch of starter with high load and water fill sensor is available.
 - . To minimize excess water usage. Though the water is used nominal in the college but to ensure a further minimal rate, placards and warnings are set up in the college premise.
 - . To install water recycling mechanism.

Principal
R.P.S. College of Engg. & Tech
Balana Mohindergarh (HR.)

ENERGY MANAGEMENT:

The following subcommittee is constituted to conduct Energy Audit of this college:

1. Mr. Karambir, HoD, EE/ECE- Convenor.
2. Mr. Dinesh Yadav, A.P., EE- Member
3. Mr. Rati Ram, Electrician- --do--
4. Mr. Prem Pal, L.T., EE - --do---

Student members:

5. Mr. Mukesh Kumar- 19EE08
6. Mr. Nashir Ali- LE20EE19
7. Mr. Rajat Yadav- 19EE11

Energy Management Facilities:

Sr. No.	Name of the Item	Quantity
1.	Fans	
2.	Tube Lights	ANNEXURE-1
3.	LED Bulbs	(enclosed).

REPORT:

- Appreciate that it is preferable to purchase electricity from a company that invests in new sources of renewable.
- The college does not have to depend on DHBVN Ltd. For electric supply in case of emergency, a 82 KVA Diesel Generator is established which is eco-friendly for the supply of emergency electricity supply.
- College is planning to install more Solar Panels.
- Giving preference to the most energy efficient and environmental sound appliances available, this includes only using energy-saving bulbs which the college is using as much as possible.
- Encourage staff, students and conference guests to save energy through visible reminders, incentives and information to increase awareness. This particularly concerns turning off electrical appliances when not in use.

- The college has put several posters and reminder notes in classrooms and other relevant places to turn off electric appliances when not in use.

M. Yadav

Principal

Rao Pahlad Singh College of Engg. & Tech
Balana, Mohinder Garh (HR.)

- Monitoring and understanding the importance of different sources of energy consumption in our college.
- The college tries to put the main switch off when there is no need of electricity.
- Ensures that all electronic and electrical equipments viz. fans, lights, computers are switched off when not in use and is generally configured in power saving mode when such option is available, it is practiced.

GREEN CAMPUS:

The following subcommittee is constituted to conduct Green Audit of our college-

- | | |
|---------------------------------|----------|
| 1. Dr. Rajesh Dagar- NSS- | Convenor |
| 2. Ms. Monika Yadav, A.P., CE,- | Member |
| 3. Mr. Vikram Singh, A.O.- | -do- |
| 4. Mr. Satyanarayan, Gardner- | -do- |
| 5. Mr. Vijay, Gardner- | -do- |

Student members:

- | | | |
|--------------------------------|---|------|
| 6. Ankita- MBA | - | -do- |
| 7. Mr. Himalaya- MBA | - | -do- |
| 8. Himanshu Agarwal-MBA- | | -do- |
| 9. Kritik- B.Tech.-EE | - | -do- |
| 10. Nitesh Kumar, B.Tech.-CSE- | | -do- |

REPORT:

Maintenance of the already well established Garden in the campus.

Encouraging the faculties and students to plant trees in the garden.

The college celebrates "Plantation Day", an annual tree plantation campaign during rainy season inside and outside the campus in nearby areas.

Minimizes the use of fertilizers and pesticides in college grounds, opting for the use of compost produced from dung.

Moderate amounts of bio-fertilizers are used in the college

M. Yadav
Principal

R.P.S. College of Engg. & Tech
Balana Mohindergarh (HR.)

Ensure that all cleaning products used by the college staff have a minimal detrimental impact on the greenery of the environment i.e. are biodegradable and non-toxic.

Negligible amounts of washing liquids are used in college and all the toilet cleaners are eco-friendly.

Dispose the chemical waste generated from the chemistry lab in scientific manner as most of the waste generated is water-soluble and ultimately disposed through normal sewage system, diluted largely so biomagnifications is negligent.

WASTE MANAGEMENT:

The following subcommittee is constituted to conduct audit regarding Waste Management policy of our college-

1. Mr. Gajanand Sharma, HoD, ME - Convenor
2. Mr. Vikram Yadav, A.O. - Member
3. Mr. Sandeep Yadav, A.P., ECE - -do-
4. Mr. Praveen Kumar, A.P., CE - -do-

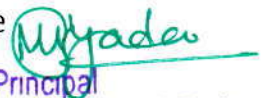

Student Members:

5. Mr. Pankaj- CSE IV Sem.
6. Mr. Abhay -CSE VIII Sem
7. Mr. Vivek- EE VIII Sem
8. Mr. Yogesh Kumar- CE VIII Sem
9. Mr. Harish- CSE VIII Sem
10. Mr. Yogesh Kumar-CE VIII Sem.

REPORT:

- Make full use of all recycling facilities provided by Gram Panchayat and private suppliers, including glass, cans, white colored and brown paper, batteries, print cartridges, card board and furniture.
- The college does not have any such recycling device to carry on the procedure.

Principal

RAO PAHLAD SINGH COLLEGE OF ENGG. & TECH.

Approved by AICTE - Govt. of India & Affiliated to P.T.U. Meerut

Balana, Mohinder Garh, Haryana - 123029

Telephone: 01285-241431 Fax: 241434

E-mail: rpsbalana@gmail.com. Website: www.rpsinstitutions.org

- The college has set up a vermin waste, green waste and non-recycled waste collected from canteen, gardens, offices and rooms to decompose accordingly.
- Recycle or safety disposal of dry wastes, computers and electrical appliances. All dry wastes (paper, metal, glass, other dry waste and e-waste etc.) are separated in different lots in the college and resell to the local vendor.
- Make specific arrangements for events such as community events, seminars and conferences in order to both arise consciousness among students and others and also to minimize the waste produced and maximize what is recycled/reused.
- College ensures that disposes all waste whether solid or otherwise in a scientific manner and ensures that it is not released directly to the environment.
- To recycle and reuse kitchen wastes (from canteen and hostels) and garden wastes are recycled to form nutrient rich quality organic manure for agriculture purpose.
- College is promoting environmental awareness as part of coursework in various curricular areas, independent research projects and community services UGC projects on sustainable development/ natural resources.
- Compulsory Environmental Studies (EVS) subject has been made compulsory for all first year students in Engineering & Management to develop environmental awareness.
- College ensures to reduce the rate at which it does not directly or indirectly participate in the depletion and degradation of natural resources.
- Ensures to create awareness of environmental sustainability and takes actions to ensure environmental sustainability.
- Various campaigns and programs are conducted periodically on nature and natural resources.
- Review architecture of existing buildings and reviews ways in consultation with experts to reduce usage of energy for such buildings, offering greatest efficiency for energy and water usage.
- New constructions are in compliance with green standards.

M. P. S.
Principal

R.P.S. College of Engg. & Tech
Balana Mohinder Garh (HR.)

- The college places several posters and placards in the campus to ensure that environmental awareness is conducted. Also, seminars are organized on environmental themes in the college.

RECOMMENDATIONS:

1. Maximize the renewable flow energy to initiate healthy and continuous flow of energy.
2. To set up more solar panels in the college to ensure continuous renewable energy flow.
3. To channelize flow resource to initiate rain water harvesting by digging wells to accommodate rainwater flowing through roof tops.
4. Maximize the proportion of waste that recycle and minimize the quantity of non-recyclable refuse-
 - i. Implement a mechanism to recycle plastic waste in a scientific manner.
 - ii. To implements measures to recycle dry wastes.
5. Reduce energy consumption, especially of energy derived from fossil fuels.
6. All the areas of the campus should be under preview of solar renewable power control.
7. Also, switch off drills are to be set up in the campus to ensure all the electric devices to be in power off measure.
8. Minimize use of chemical pollutants.
9. The chemical pollutants from the Chemistry lab are water soluble. So, it is recommended that this water is recycled properly.

A REPORT ON WORLD ENVIRONMENT DAY

RPS College of Engineering & Technology, Balana, Mahender Garh (Haryana)-123029 celebrated World Environment Day on 5th June, 2023. Er. Manish Rao, Hon'ble CEO, RPSGOI, Principal, Dean (Academics), Staff members, and students were present for the celebrations. The Institute Director welcomed the audience with an opening speech giving an insight to the importance of that day. He made all the spectators aware of the need to take immediate action to save the environment and Mother Earth. Citing examples, he made the concept crystal clear for all.

He also announced a compulsory project for all students. Each student had to undertake one environment-friendly action after college hours and was supposed to make a presentation as well. The project needed to be submitted to the respective class teachers. All the students looked excited after the announcement of that innovative project.

After which the Dean (Academics) of the college addressed the audience with an enlightening speech mentioning how small endeavors could make a big difference. He requested all to spread the awareness of saving the environment. She ended the speech by saying "Each one can do his bit by stopping the use of plastic bags; stop wasting food, start using public conveyance to save fuel and to start recycling. For a greener tomorrow, each one needs to do his or her bit".

The celebrations came to an end with everyone pledging to take the initiative of saving the environment and doing their bit for a cleaner and greener Mother Earth.

पौधरोपण और पर्यावरण जागरूक रैली निकाली

■ विद्यार्थी व शिक्षक प्रकृति संरक्षण के प्रति अपना धर्म निभाने के लिए दृढ़ संकल्पित हैं: मनीष राव

हरिभूमि ब्यूज ► महेन्द्रगढ़

आरपीएस कॉलेज बलाना में सोमवार को 'पर्यावरण दिवस' पर सैकड़ों पौधे लगाकर वर्षा ऋतु तक दो हजार पौधे लगाने का लक्ष्य रखा गया। पौधरोपण व पर्यावरण जागरूक रैली का शुभारंभ संस्था सीईओ मनीष राव, कॉलेज डायरेक्टर डॉ. महेश यादव, रजिस्ट्रार डॉ. देवेन्द्र यादव, प्रिंसिपल डॉ. देवेन्द्र कादयान, डीन राजेन्द्र यादव, डिप्टी डीन डॉ. यशपाल शर्मा मौजूद रहे। कॉलेज प्रिंसिपल डॉ. देवेन्द्र कादयान ने कहा कि पर्यावरण दिवस इस दिन के साथ-साथ योजना मनाना चाहिए। उन्होंने बताया कि पर्यावरण दिवस के पावन अवसर पर सभी विद्यार्थियों को सबसे पहले शपथ दिलाई गई कि पर्यावरण का संरक्षण करना हम सब का परम कर्तव्य है। इसके बाद सैकड़ों छोटे-बड़े पेड़-पौधे एनएसएस टीम, वाईएसआर, फिजिक्स विभाग, रसायन विभाग व कला संकाय विभाग के सहयोग से

लगाए गए। कॉलेज एनएसएस की पूरी टीम व यूथ रेडक्रॉस ने गांवों जाकर गली-गली में रैली निकाली तथा प्रत्येक घर जाकर पर्यावरण का महत्व तथा पॉलोथिन के दुष्प्रभावों के बारे में जागरूक किया। सीईओ डॉ. मनीष राव ने कहा कि आरपीएस कॉलेज चारों तरफ के वातावरण को सुरक्षित व हरा-भरा बनाने के लिए प्रति वर्ष दो हजार पेड़-पौधे लगाने के लिए दृढ़ संकल्पित रहेगा। उन्होंने बताया कि प्रत्येक विद्यार्थी व शिक्षक प्रकृति के प्रति अपना धर्म व जिम्मेदारी को निभाते हुए ज्यादा से ज्यादा पेड़-पौधे लगाए तथा चारों तरफ के वातावरण को प्रदूषण रहित बनाएं। कॉलेज डायरेक्टर डॉ. महेश यादव ने एनएसएस टीम की पर्यावरण जागरूक रैली को हरी झंडी दिखाते हुए कहा विद्यार्थियों व शिक्षकों का धर्म बनता है कि वे समाज को जागरूक करके पर्यावरण संरक्षण पर ध्यान दें। रजिस्ट्रार डॉ. देवेन्द्र यादव ने पर्यावरण के महत्व पर बल देते हुए कहा प्राणी जगत में मनुष्य ही सबसे बुद्धिमान प्राणी है। इस कार्यक्रम में सभी शिक्षक व विद्यार्थी, डायरेक्टर, कंडेक्टर, सफाई कर्मी व चपरासी भी मौजूद रहे।
