Mahendergarh**

Background:

The Mechso Club Mechanical Engineering Department of Rao Pahlad Singh College of Engineering and Technology, Balana, Mahendergarh organized an International guest lecture on Scope of Higher Studies in Abroad on Mar07, 2024. The International guest lecture was conducted through Zoom meeting application.

Objectives:

The objectives of this guest lecture is for awareness of the higher studies in abroad.

Participants:

It was attended by 120 students from Mechso Club Mechanical Engineering Department and B.Tech 1st year (ME, CSE, AIML, EE, ECE, CE) students.

Brief of the Program:

The guest lecture was held on March 7th 2024, Thursday, at 09.30AM to 10.30AM. Dr. Rojaleena Das, Associate Professor, Mechanical Engineering Department, Rao Pahlad Singh College of Engineering and Technology started the session with a warm welcome from all the attendees and also introduced the guest speakers. The session was taken over by the International guest speaker Ms. Nitya Singh, Research Scholar Pennsylvania State University, USA.

She explained briefly about various aspects like consultant vs direct admission, about the application procedure, entrance exams to be appeared, academic requirements, how to face the interview panel, scholarship assistance, teaching assistantance, research assistanceship and about study loan.

The entire session was full of good real examples and was very interactive. The guest speakers ended with a question and answer session in which students get their doubts solved. At the end Dr. Rojaleena Das, Associate Professor, Mechanical Engineering Department, RPSCET thanked our keynote speakers and Dr. R.S. Yadav Dean Academic affair, RPSCET for entire conducting the International Expert lecture on the topic of great interest for all.

Feedback from the Participants:

A feedback from the students were taken, the participants were thankful to the Ms. Nitya Singh, Research Scholar Pennsylvania State University, USA. And also thanks to Dr. R.S.

Yadav Dean Academic affair, RPSCET Balana, Mahendergarh for conducting this International guest lecture.
