

A
Report on
Expert lecture on
Research Proposal Writing and Paper Writing
(2nd March, 2024)

Organized by
(Mechso Club)
Department of Mechanical Engineering
Rao Pahlad Singh College of Engineering and Technology,
Balana, Mahendergarh

Rao Pahlad Singh Group of Institutions
Mahendergarh

Background:

The Mechso Club Mechanical Engineering Department of Rao Pahlad Singh College of Engineering and Technology, Balana, Mahendergarh organized an Expert lecture on Research Paper Writing and Paper Writing on Mar02, 2024. The Expert lecture was conducted through Zoom meeting application.

Objectives:

The objectives of this guest lecture was to motivate the faculty members of RPSGOI to publish their research work in various reputed National & International journals with high impact factor. The key objective was to cover the minute points which have to be implemented while writing the research paper.

Participants:

It was attended by 10 students from Mechso Club Mechanical Engineering Department and RPSGOI 55 faculty members.

Brief of the Program:

The Expert lecture was held on March 2nd 2024, Saturday, at 12.30PM to 02.00PM. Dr. Rojaleena Das, Associate Professor, Mechanical Engineering Department, Rao Pahlad Singh College of Engineering and Technology started the session with a warm welcome from all the attendees and also introduced the guest speaker. The session was taken over by the International guest speaker Dr. Sujoy Chaudhary Professor and Dean (R&D), Department of Materials and Metallurgical Engineering, Indus University, Ahmedabad.

Dr. Sujoy motivated the faculty members to write their research work and also explained ethical practices, types of Research Paper and where to publish the papers and also explained the format and structure of a research paper i.e title, author's affiliation(s), abstract, keywords, Introduction, materials and Methods / Experimental / Simulation, results and discussion & conclusions, acknowledgement(s), declaration, references.

The entire session was full of good practical examples and was very interactive. The guest speaker ended with a question and answer session in which faculties get their doubts solved. A power point presentation is also shared with the faculty members for their ready references. Dr. Rojaleena Das, Associate Professor, and Mr. Manish Kaushik, Head Mechanical Engineering Department, RPSSET thanked our keynote speaker and Dr.

Rojaleena Das, Associate Professor, RPSCET was thanked by the entire team for conducting the expert lecture on the topic of great interest for all.

Feedback from the Participants:

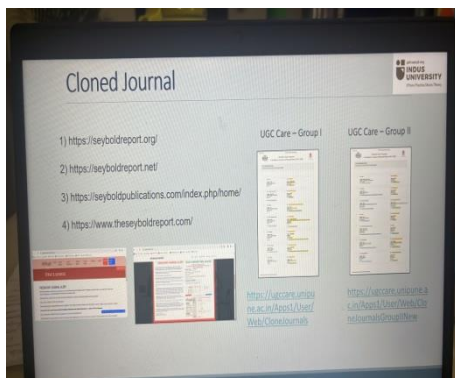

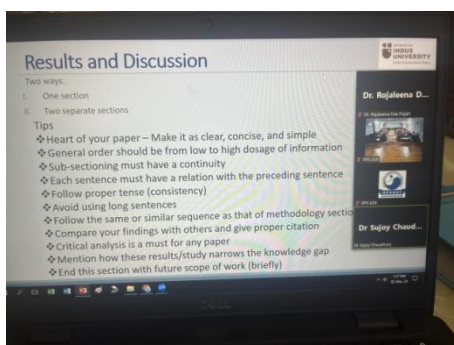

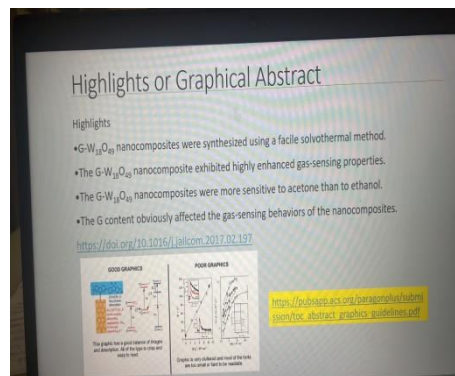

A feedback from the faculties and students were taken, the participants were thankful to the Dr. Sujoy Chaudhary Professor and Dean (R&D), Department of Materials and Metallurgical Engineering, Indus University, Ahmedabad.

And also thanks to Dr. Rojaleena Das, Associate Professor Mechanical Engineering Department, RPSCET Balana, Mahendergarh for conducting this Interactive guest lecture.
