Subject: List of Topper Students in the Examination Held in March-April 2021

Respected Sir,

With reference to the subject cited above I am sending you the list of topper (Top 5) students in the examination held in March-April 2021. The report has been prepared on the basis of the result analysis done by Head of the Department. While comparing the results with other departments of the college and University I can gladly said that our student Rinku D/O Sh. Ashok Kumar secured 95.11% marks in B.Sc. Medical 5th Semester which is highest in college as well as in University. Still we are waiting for the University position to come. The list has been prepared for those classes whose result has been declared by the University. Some more results are in pipeline. So the list will be updated accordingly.
