Students Satisfaction Survey Report (SSSR) for session 2020-21

Objectives of SSSR:

- To assess the success of education and learning provisions in relation to the expectations of students.
- To provide students with the opportunity to comment on the quality of their learning experiences
- To provide feedback to teachers in order to improve delivery and/or content of the syllabus.
- To collect in-depth data of students satisfaction with the teaching learning environment.
- To summarize the expectations of the students and extent to meet these expectations.
- To offer best possible environment and learning experience to all its students and encourage them to perform to their full potential for high academic achievement.

Research Methodology:

The survey asks 25 questions designed by IQAC that will provide information about implementation support, enhanced knowledge and changed practice. The data has been collected directly from the students through questionnaire provided on the Google form that shared through online links so that it can reach to each and every student of the college.

Analysis and Interpretation:

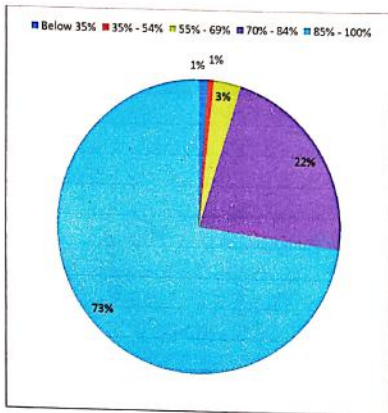

452 students participating in the survey their responses were fed to an excel sheet designed for the analysis by the team. The responses were analyzed by a team of IQAC. The question-wise outcome of the results is presented below:
