Respected Sir,

We are thankful to you for providing us the opportunity to work for the benefit of the student and also for considering us for student council. We are hereby submitting some suggestion which are as follows:

1	The college is providing the coaching facility to the students, it should be based upon the interest of the students.
2	Smart Class Room should be more
3	Different students groups, clubs or society may be formed depending upon there interest in extra curricular activities like music group, dance group and others
4	The college academics is good, its our suggestion to focus more on practical work.
5	Besides JAM coaching class, other competitive classes may be offered to honors students.
6	Mock interview should be compulsory for all final year students.
7	More counseling session on future carrer option for final year students.
8	Computer Science faculties should emphasize on the teaching of the programing languages like Matlab, Latex to the student.
9	There should be virtual meeting of the students with those scholars pursuing Ph.D. from IIT's or IISC to guide the students.

Thanks
