Agenda of the meeting:

1. Introduction of all the members of IQAC and the purpose of IQAC.
2. Future Course of action for college growth.
3. To discuss quality measures and future initiatives.

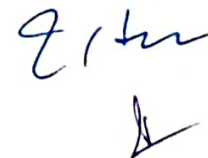

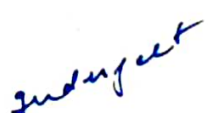

Minutes of the meeting:

1. Dr. Mahesh Kumar Yadav (Management Representative) welcomed all the members and introduced them with each other.
2. Dr. Davender Singh (Principal) also welcomed all the members and discussed in detail the purpose of internal quality assurance cell (IQAC). He also requested each and every member of the cell to convey their ideas and suggestions for the growth of the college. He introduced Dr. Yashpal Sharma (Coordinator – IQAC Cell).
3. Dr. Yashpal Sharma updated all the members about the initiatives which are already implemented in the college for the benefit of students like remedial classes, lecture delivery by using ICT, scholarship to students, competitive classes, coaching classes especially for NET & IIT JAM, teachers feedback from students, internal sessional papers, pre university test, stationary and photostat facility for students.
4. Sh. Rambir Yadav suggested alumni meet. Dr. Yashpal Sharma informed all the members that the first alumni meet is going to be held on 22/12/2018.
5. Sh. Inderjeet Singh suggested to form a group of students which will suggest or convey the problem of the students. This group may work as student representative. It was a good suggestion and decided in the meeting to look after the possibilities to frame out this group.
6. Dr. Jitender Jindal suggested to take written feedback from parents. Dr. Davender Singh informed that parents conveyed verbal feedback and their valuable suggestions are implemented time to time.

7. Dr. Devender Singh Yadav (Registrar) suggested to go for Accreditation and look after the possibilities for it. All the members supported it. It was decided to look after a appropriate faculty member, who will coordinate all the work related to accreditation. Dr. Mahesh Kumar Yadav updated that last five years activities are required for it. The responsibility to appoint NAAC coordinator was given to Dr. Mahesh Kumar Yadav.
8. Dr. Devender Singh Yadav (Registrar) informed that Nano Research Lab has been established in Physics Department under DST sponsored major research project.
9. It was decided to conduct IQAC meeting once in a year.

The meeting ended with vote of thanks to chair.
