Department	PHYSICS
Session	2024-2025

Activity Name	□ Diwali Celebration – 2024
Short summary	<p><b>The Bose Society, Department of Physics, RPS Degree College, Balana,</b> celebrated the festival of <b>Diwali</b> with great enthusiasm and festive spirit on <b>25th October 2024</b>. The celebration was aimed at spreading joy, positivity, and cultural unity among students and faculty members.</p> <p>The event began with the traditional lighting of diyas and Lakshmi-Ganesh puja, invoking blessings for prosperity and wisdom. The department premises were beautifully decorated with rangoli, lights, and handmade decorations prepared by the students.</p> <p>Students participated in various cultural activities such as poetry recitation, diya decoration, rangoli competition, food without fire stalls, and group singing, adding a creative and joyful touch to the celebration. The faculty members appreciated the efforts and creativity displayed by the students.</p> <p>The celebration concluded with the distribution of sweets and warm wishes for a happy and safe Diwali. The event not only brought festive cheer but also strengthened the bond among the department's members.</p>
