A TRIBUTE TO **OUR INSPIRATION**

Late Rao Pahlad Singh

Late Rao Pahlad Singh, popularly known as 'Bhagat Ji', served as Police Sergeant in undivided Punjab under the British regime. The RPS Group has its foundation firmly placed in the lofty ideals of this great visionary.

His brilliant son, Dr. O.P. Yadav, inherited the true sacraments and created RPS Group of Institutions which could explore 'innovative educational routes through rock-solid roots'. After proving its mettle in the state of Haryana, the Group is all set to spread its horizons across the country.

The RPS Family is paying rich tribute to the forefather by spreading the light of education in its truest sense. May the divine presence of our guardian angel keep inspiring us to march forward with confidence and conviction.

Late Dr. (Adv.) O.P. Yadav

Founder Director, RPSGOI

(January 21, 1943 – August 28, 2022)

Living On...

*Do not stand by my grave, and weep.
I am not there, I do not sleep.*

*I am the thousand winds that blow | I am the diamond glints in snow
I am the sunlight on ripened grain, I am the gentle, autumn rain.*

*As you awake with morning's hush | I am the swift uplifting rush
Of quiet birds in circled flight, I am the day transcending soft night.*

*Do not stand by my grave and cry,
I am not there | I did not die.*

A TRIBUTE TO **BAUJI**

Late (Adv.) Dr. O.P. Yadav, the Founder and Director of RPS Group of Institutions, was a visionary in the truest sense of the word. Fondly called 'Bauji', the great scholar is credited with being among the pioneers in Haryana who lit the flame of education in the state bright and made the masses aware that the only way towards progress is through the realms of education. Taking inspiration from the dynamic persona of his father, Rao Pahlad Singh, he founded RPS Education Society in 1998 and steered Mahendergarh in the direction of becoming an Educational Hub that found recognition across the country.

Born in the village Kanina in Haryana on January 21, 1943, he was a child blessed with the spark to make impossible things possible. Actuated by his passion for serving his motherland, he initiated his career with the Indian Air Force in 1962, and dedicated 15 prime years of youth to the forces. This brave heart fought for the nation in the 1965 and 1971 Indo-Pak wars.

A true 'Karmayogi' as Dr. Yadav was, relinquishing Air Force never meant enjoying a slow-paced, post-retirement life. His fiery oratory found its rightful place in the Judicial System where he served the Mahendergarh District for 32 years. Bauji was the epitome of courage and conviction. His life was an inspiring saga of commitment to education to which he devoted himself entirely and left an incredible legacy for generations to come. He was very popular with students and staff alike. He was always proactive and wanted to try out new ideas with a 'childlike' enthusiasm.

A man so noble, a man who has left a deep imprint on each and every person associated with him, a man who worked incessantly for the improvement of the education system, is no more with us, today. But he will forever remain in our hearts, guiding us from his abode up in Heaven.

MESSAGE FROM THE CHAIRPERSON

Dr. (Mrs.) Pavitra Rao
Chairperson, RPSGOI

“विद्या वितर्को विज्ञानं स्मृतिः तत्परता क्रिया ।
यस्यैते षड्गुणास्तस्य नासाध्यमतिवर्तते ॥”

Schools were once described as the future within four walls. That being true, we have the responsibility to make the most exciting, creative, and secure places we can. As a parent as well as the Chairperson, I know that our children are our precious gifts and they are the future too.

RPSGOS, therefore, is committed to providing an outstanding start for your child's education. Our mission is to serve humanity at large, ensuring to nurture the future for every family we serve.

I believe that when you read our prospectus, you will be impressed by our desire to nurture, care for, encourage, and support your children. I hope, however, you will also be struck by our determination to develop their gifts to help them achieve their full potential.

We aim to provide a holistic learning experience by encouraging individuality and interacting with our community. In other words, we help in creating progressive and positive citizens. This prospectus is a reflection of the ethics of the school. I wish the institution and the students here to have an ever-growing success.

“Illuminate your intellect, for
knowledge is the beacon that
transforms aspirations into
achievements.”

MESSAGE FROM THE CEO

Let me welcome you to our Fold!

As we welcome you, the future leaders and productive citizens of the world, I would like to lay stress on our mission statement of grooming young minds and hearts as the pillars of advancement of a nation and hope for the future.

Our institution was formed by a team of service-oriented individuals with an aim to promote education and culture in all aspects in order to achieve and fulfil the mission statement that we believe in.

As a well-established and highly respected institution, we uphold the highest academic standards and promote a culture of discipline, resulting in outstanding academic achievements. We firmly believe that education is the cornerstone of a nation's progress, and it is our responsibility to provide students with the best possible academic training. In recent years, we have had the privilege of witnessing India's remarkable technological advancements, including space research, artificial intelligence, cybersecurity, and robotics. These achievements exemplify India's impressive capacity for cutting-edge product startups and innovative initiatives, showcasing the continuous evolution of India's tech landscape and highlighting the country's indigenous brilliance.

As the CEO, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform our dreams into reality. And if there is any assistance that our students might need, may it be personal or professional, I shall always be willing to hear from them.

MESSAGE FROM THE DEPUTY CEO

I delightfully welcome everyone to the RPS Family. RPS Group works on the vision to provide the world with motivated, responsible and disciplined youth to shape a better future. I believe this can be achieved by strengthening their foundation upon which they can create a successful future for themselves and the society around them.

In the modern age, education is not a simple teaching-learning process, but has evolved into the giant wheel that has many spokes such as personality management, time management, competing beyond boundaries etc. RPS Schools just being the newest appendage; to strengthen the early childhood education, focusing on middle school education for students, to assist the senior students to decide upon a career stream, which they can choose for themselves later in life.

RPS Schools exemplify the fact that sky is not the limit in the pursuit of excellence. The aim of our schools is to promote a system of integral education in a congenial child-friendly environment that emphasises the unity of all knowledge, synthesises humanity and sciences, and recognises the fact that each child is unique. As an alumnus of RPS, I am personally committed to ensuring our schools feel like a second home for our students. We aim at ensuring that our comprehensive development programs provide students with an international learning experience, while preserving our core Indian values. You would find a wealth of learning opportunities at RPS Schools that would serve as an essential stepping stone to a fulfilling life and career.

Dear Parents, we are confident that RPS is the best place for your child. We welcome your active interest and involvement in the progress and activities of your child. We look forward to having your continuous support!

Mr. Kunal Rao

PRINCIPALS' Messages

Dr. Kishor Tiwari
Mahendergarh

I consider myself fortunate to have the opportunity to work with an institution that has been a remarkable trendsetter in the field of education. The seeds of an extraordinary vision were sown in this branch in 1998 with the dream of making quality education accessible to all. Over decades, RPS Mahendergarh has become a metaphor for excellence and perseverance. Our spectacular achievements in academics, sports and the cultural arena are testimony to our 'never-say-die' spirit. While academic excellence is our major thrust, the school is also devoted to preparing the students for life, grooming them to face the challenges of tomorrow, and encouraging them to be socially relevant. We constantly endeavour to live up to this ideology and inculcate it into everything we do, with the aim that we will be able to ensure that the children grow to their full potential.

Mr. Vikram Yadav
Rewari

We, at RPS, have journeyed through all these years and gained the trust and appreciation of thousands of students and their parents alike. Our philosophy of education has always been to meet the needs of an individual child. We are the first institution in the surrounding area to have adopted the concept of individual monitoring and counselling of slow learners through mentorship, which involves direct contact with the parents. Our aim is to work tirelessly to unleash the inherent intellectual, social, and emotional capacities of all students who pass through the gates of RPS.

Ms. Raman Preet Kaur
Dharuhera

Education in RPS Institutions is a shared commitment among dedicated teachers, motivated students, and enthusiastic parents with high expectations. At RPSD, we have pledged to transform education to meet the individual needs of each and every student coming to seek admission here from all around India. In a short period of 9 years, RPSD has created milestones not only in academics but also in sports, yoga, music and dance, and many other co-curricular activities at the state, national, and international levels. I feel truly blessed to have gotten the opportunity to render my services as the Principal here. May God shine His divine glory on each and every RPSian!

Mr. B L Yadav
Narnaul

RPS School Narnaul is a pioneering institution with a productive and positive ambiance. We, with our world-class infrastructure and apparatus, dedicated gurus of high repute and blue-chip scholastic and co-scholastic strategies, believe in the all-round development of each and every student. We firmly value and emphasize the constructive and healthy teacher-student-guardian relationship, which ultimately precipitates astounding performance at the student's end. We not only let our students barely dream but also believe in realization. As our school logo reads, we adhere to pouring down values for excellence through faith and commitment. For attestation, one can read the black ink over national white pages reciting the success stories of our students in the country's leading exams. So, let's leap together to write a new success story...

Ms. Preeti Lamba
Rewari City

The world of the 21st century is changing at an accelerated pace, which is a challenging situation for all educators to cope with and prepare their students for the future. To motivate the late bloomers, to mould the mediocre, and to challenge the gifted is our teaching paradigm at RPS International School, Rewari. Committed and supportive management, dedicated teachers, and caring and cooperative parents blend harmoniously to make this school child-centric. Our sincerest gratitude to all the stakeholders of RPS International School, Rewari, the management, staff, and parents for keeping their faith and belief in the school. We will continue with the spirit of inculcating ethics and ethos in young minds with self-confidence and dedication.

Mr. Anupam Goyal
Hansi

RPS Hansi is deeply and firmly rooted in the rich soil of genuine faith and trust that provides ample opportunities for students to work on their skills and prove their mettle. We, at RPS Hansi, are committed to offering its pupils the wings of ambition with quintessential human values so that they can touch the horizons of success and prosperity and take on the dynamic challenges of the future. Our focus is to ignite the fire of imagination and passion to instill love for learning in the young minds of the students. RPS Hansi proudly expresses that the inquisitive students, the dedicated staff and ever-supportive parents together orchestrate the holistic educational journey and welcome a new era of new ventures with new destinations of hope, optimism, energy, zeal, pleasure, happiness, innovation, and a better future.

Mr. Shri Bhagwan
Director, RPS Kosli

It is with awesome joy and pride I present myself as the Director of RPS School, Kosli (Rewari). I am excited to display a diagram of our institution's ethos, accomplishments, and desires. Inside the history of RPS, you'll find the dynamism of scholastic brilliance, all-encompassing advancement, and a sustaining environment that characterizes our school. From our devoted workforce to our state-of-the-art facilities, each perspective of RPS is meticulously planned to cultivate mental interest, basic consideration, and an adoration for deep-rooted learning. Our commitment to scholastic thoroughness is complemented by a wealth of co-curricular activities, ensuring that each understudy has the opportunity to investigate his/her interests and abilities beyond the classroom.

Ms. Shiva Yadav
Gurugram, Sec.89

I feel honoured and privileged to be a part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our students, parents & staff. Our school accords prime importance to the behavioral discipline, moral integrity and cognitive developments of our students. Our teachers strive to teach not only academic programs but also life skills needed for students' self-development. The reputation, the school has acquired and established over these years, is due to the dedication and selfless commitment of School Management, teachers, students, and parents.

Dr. Pooja Trilok Sharma
Gurugram, Sec.50

Today, schooling is being transformed to empower students to be lifelong learners and productive members of an ever-changing global society. At RPS, we provide an atmosphere for multifaceted development where children are encouraged to channel their potential in the pursuit of excellence. Converting every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities. At RPS Sec. 50, we provide global awareness through global activities and exchange programmes with foreign countries. Academic excellence is our major thrust, and the school is devoted to preparing the students for life, grooming them to face the challenges of tomorrow, and encouraging them to be socially relevant.

Ms. Shimpi Singh
Behror

The education system is undoubtedly the foundation of a nation, as it results in more civilized, literate, and empowered citizens who are consciously driven by ethics and moral values. Team RPS Behror is motivated and staff-trained to provide an atmosphere to children for discovery and a practical approach so that they can develop their curiosity and creativity. Technology and learning have been well incorporated to bring parents, teachers, and students under the same spectrum. The curriculum design is adaptive to current educational trends so that our children are capable of handling any kind of situation at the global stage. I congratulate and thank all the parents for having faith in us and entrusting us with the responsibility of bringing out the best in the children.

Dr. Neelam
Hisar

At Indus RPS, imparting quality education can be thought of as the transmission of the values and accumulated knowledge of society for the holistic development of each child and to direct them towards their greater role in society in an efficient way.

It is rightly said that educating the mind without educating the heart is not education. Even as we impart education to match the advancements in technology and processes, we guide our children towards the right principles, ethics and moral values. We offer our students a stress-free learning environment that encourages creativity and critical thinking. Our unique teaching and learning process, with a proper blend of theory and practice, has taken us to the next level of excellence.

Ms. Roopa Gosain
Karnal

It is indeed a matter of great honour and privilege to be heading RPS International School, which is rooted in an education system where academics is not only the reason for existence but an entire way of life. All teachers, students, and parents are synergized, and learning at the school, as always, continues to be a dynamic process—unstoppable and unique. The Science Innovation Classes, the STEAM learning systems, the Global Cultural Awareness Programme, the Career Awareness Programmes, the Generation Global Programme, the English Enhancement Classes, the Choral Reading Sessions, the Inter School Competitions, apart from the strategized assessments with research-based subject integration in the Research & Reference Lab, projects and Viva-Voice, are all woven into one synergized system of learning.

RPS Group of Schools is distinguished by its diversity and how this diversity is woven into a shared vision. I am privileged to lead a team of educators and staff that are dedicated to providing a caring and enriching learning environment where each student can excel in academic, social, and emotional domains. We recognize the importance of a strong home-school relationship in promoting student success. To this end, we have a strong Parent Partnership Programme in which parents contribute to the school system through conducting subject related classes and sessions that align with their child's interests and talent.

Dear Parents and Guardians,

Eleanor Roosevelt's profound insight, "The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience.", resonates deeply in our approach to education at RPS, Charkhi Dadri.

Nurturing not just academic excellence but also character, empathy, and integrity, we aspire to equip our students not just for individual success but to be positive influencers in our society. The collaboration of traditional wisdom and contemporary approaches reflects our dedication to shaping individuals capable of contributing soulfully to the world.

RPS International School, Kanina's approach to education is forward-thinking and envisages transforming the success of the vision of NEP 2020 into our mission. We are working in letter and spirit towards this futuristic education policy, which is indispensable for the development of the country's economic and social progress, incorporating cultural diversity and local and global needs. By incorporating technology into various aspects of the learning environment, RPS International School, Kanina, is helping students to develop the necessary skills to navigate the digital landscape and succeed in the world of tomorrow. Our school students are bringing laurels in the arena of academics, NEET, JEE, NDA, AIL, sports, and extracurricular activities. This is a testament to the holistic education and nurturing environment that our school provides.

Education has transformed immensely from where it first began, and needs to continually transform in the future to meet the growing needs and expectations of society, and for it to deal with the best, the prerequisites are dynamic, positive, effective, and productive individuals in society. Team RPSIS Dharuhera aims towards the holistic development of every RPSian with an educational apparatus structured to be inclusive, engaging, and participatory in methods, relevant and purposeful in content, and that which builds knowledge, understanding, and the capacity in every student to set a goal, reflect and act responsibly to address all kinds of formidable situations in a rapidly changing global economy.

Dear Parents and Students,

At RPS International School Rohtak, we are very fortunate to have a dedicated, qualified, and cooperative staff and very caring management. Our school is well equipped and has the best facilities regarding academics and sports and the staff excels in the all-round development of a child. Here, it is natural to find an atmosphere of serious learning and the intensive use of a variety of thinking activities to explore the talent of students. We strongly believe that students should also be engaged in social activities since it gives them the confidence to connect with the underprivileged segment of society. Children must be taught "how to think, not what to think." It must be remembered that success comes to those who work hard and stays with those who don't rest on the laurels.

"Good schooling isn't just about imparting knowledge; it's about fostering curiosity, creativity, and character, preparing students to thrive in a rapidly changing world."

Welcome to the vibrant world of our school, where every student's potential is nurtured and celebrated. Our commitment to academic excellence, holistic development, and fostering a culture of innovation ensures that every student emerges as a confident and capable individual ready to conquer the challenges of tomorrow. With dedicated faculty, state-of-the-art facilities, and a supportive community, the journey towards success is not just a possibility but a certainty. Let us embark on this journey together, with enthusiasm and determination.

LEVELS OF STUDY

The journey of RPS Group of Schools which began in a small downsized area for the under privileged with a strength of 250 students today landmarks as one of the biggest educational groups in Northern India with 17 schools and 50K students on board.

The motto of RPS Group of Schools, 'Excellence Through Faith & Commitment' has served the noble cause of meaningful education for 27 years.

RPS School at Mahendergarh-the pioneer school was the brainchild of the visionary Founder Director-Late Dr. O.P. Yadav (Advocate). It was spearheaded by Hon'ble Chairperson-Dr. Pavitra Rao, and Hon'ble CEO-Er. Manish Rao in the year 1998 with a clear vision of "Quality Education To All". The RPS Group is considered a reputed disciplined house of schooling and technical education pioneering in the southern part of the state of Haryana.

At RPS, we focus on the development of a student who is multi-faceted, loaded with wide interests & adorned with physical and spiritual fitness.

Education in such an ambience is a rewarding experience. Mahendergarh, Kanina, Dharuhera - I & II, Narnaul, Hansi, Kosli, Rewari (Delhi Road) & Rewari City (BMG), Gurugram Sec. 50 I & II, Gurugram Sec. 89, Behror, Hisar, Karnal, Rohtak & Charkhi Dadri Campuses have been setup in a calm & serene ambience with the same vision & mission "Quality Education To All". We believe that institutes progress when they strive for excellence, and people progress when they strive for the best.

MISSION

To meet with fortitude and life skills, the ever changing dynamics and demands of the modern education world, we at RPS, prepare the tender and young minds to face the challenges of the modern world. It is done through a systematic working schedule targeting all areas-physical, intellectual, aesthetic and spiritual. We leave no stone unturned in exploring the latent talents and potential of the students. With the purest of intentions, the mindset of the faculty is to enable the children to reach the summit of their respective careers and, above all, turn them into good human beings to render their excellent services to all segments of society.

OBJECTIVES

- To provide a wide and varied set of holistic learning experiences.
- To develop the ability to evaluate, make decisions and research.
- To build a sense of community within the school.
- To develop the ability to work in groups, and respect the rights of others.
- To develop personal qualities of tolerance, self-discipline, consideration for others, and good manners.

VISION

- To create a system of education where all children get access to "Quality Education".
- To achieve Global Standards of Excellence in Education.
- To create lifelong learners and produce caring human beings.

OUR CURRICULUM

Nurturing Holistic Excellence

Our curriculum is designed to foster a love for learning while nurturing the intellectual, emotional, and social development of every child. We believe in a student-centric approach that focuses on developing 21st-century skills and creating well-rounded individuals ready to thrive in a dynamic world.

Personalized and Experiential Learning:

Our curriculum prioritizes experiential and activity-based learning where students engage in real-life applications of concepts through hands-on activities, collaborative projects, and inquiry-based learning methods fostering deeper understanding, problem-solving, critical thinking, and creativity.

Multidisciplinary and Integrated Approach:

The curriculum promotes multidisciplinary learning, helping students connect ideas across subjects and understand the interconnectedness of knowledge, inspiring curiosity and innovation.

Skill Development and Competency-Based Education:

Our curriculum emphasizes skill-based learning over rote memorization. Students are provided opportunities to develop communication, collaboration, and technological skills, ensuring they are future-ready. Competency-based assessments further ensure a deeper understanding of concepts and their practical application.

Value-Based and Inclusive Education:

We strive to instill strong ethical values and empathy in our students, preparing them to be responsible global citizens. Our inclusive practices ensure that each and every child, regardless of their background or abilities, receives equal opportunities to learn and grow.

Focus on Early Childhood and Foundational Learning:

Recognizing the importance of early education, we lay a strong foundation through a joyful and stimulating environment that emphasizes foundational literacy and numeracy. Interactive and play-based methods are employed to foster curiosity and a lifelong love for learning.

Holistic Development:

Our curriculum is not limited to academics. It provides a balanced blend of scholastic and co-scholastic activities, encompassing art, music, sports, and life skills. These experiences encourage students to explore their interests, build resilience, and achieve personal growth.

Integration of Technology:

To keep pace with the digital era, our curriculum incorporates the use of technology as a tool for enhancing learning. Digital classrooms, e-learning resources, and coding initiatives empower students with the skills required to navigate the modern world confidently.

STREAMS OF STUDY

RPS Group of Schools offers admissions to learners starting from Pre-Nursery to XII standard. Extra care and concern are ensured to the students by bifurcating them into wings as per their standards or age groups. The wings are separately headed by wing heads and academic coordinators from pre-primary to senior secondary. The following pattern is initiated in RPS schools to divide the various sections:

PRE-PRIMARY SCHOOL

- Child-Centric Learning Environment
- Play-Based and Experiential Learning
- Focus on Foundational Literacy and Numeracy
- Life Skills and Values
- Development of Motor and Cognitive Skills
- Language Development

PRIMARY SCHOOL

- Learning in our primary school focuses on building a strong foundation through joyful, engaging, and experiential methods.
- Play-Based and Activity-Centered Learning
- Focus on Foundational Literacy and Numeracy
- Holistic and Multidisciplinary Approach
- Competency-Based Assessments
- Language and Communication Skills
- Values and Life Skills

MIDDLE SCHOOL

The Middle School offers:

- Individualized learning paths to ensure coverage of varied concepts and skills.
- Interactive curriculum that throws challenges at the learner at every stage.
- Independent mode of learning and expression.
- Learning through experience: activities mapped according to the curriculum.

INFRASTRUCTURE AND FACILITIES

SUBJECT INTEGRATION: RESEARCH AND REFERENCE LAB

Carving international benchmarks of learning through subject integration, we, at RPS Institutions, provide opportunities for the students to discover the wonder of learning through the 'Research and Reference Lab' where technology is at the fingertips of the students. Forays into self-learning with the aid of technology, the students research various concepts, and comprehend them through audio-visual aids and then write research projects for submission. This approach opens the vistas of 'self learning' and promotes the integrated conceptual learning that fills the student with the desire to explore and learn more. This is in synchronization with the vision of NEP.

SMART BOARDS

At RPSGOS, the importance of skill sets in students beyond subject knowledge is manifested with the installation of the Next Education Smart Boards and IFPs in every classroom which comprise the use of all interactive modules like videos and presentations that are appealing to students and make learning enjoyable while improving their overall academic performance in school.

INDOOR/OUTDOOR SPORTS COMPLEX

Playing sports is a great way to stay healthy and fit. In order to make the most of it, regular practice is necessary so that children are motivated to play and exercise. This is why RPS provides indoor and outdoor sports complexes where children can play games like Kabaddi, Tennis, Kho-Kho, Basketball, Badminton etc. at a convenient time.

COMPUTER LABS

Computer classes in schools are important for a well-rounded education. There are separate Computer Labs for junior and senior students. Educational software is presented in a game-like format to entertain the younger students while they learn key concepts.

SELF EXPRESSION THROUGH DRAMATICS

The school provides attention to skills that enhance the core personalities of the students through dramatics led by the students. This is integrated into the curriculum. Through the modulation of voices, movements, gestures, and facial expressions, the students learn empathy and confidence. Drama is essential for learning empathy and self-control. Students are trained to present the roles of various renowned personalities from history and mythology, through which they not only learn to present and express themselves but also remain connected with the roots of our Indian culture.

SKATING RINK

RPS provides a specialized skating area where children have fun filled time learning and mastering this sport under the guidance of an experienced coach.

DANCE

Western and Indian Dance forms are taught with verve by specialised teachers. The students win many prizes and bring credit to their school. RPS has a well-equipped dance studio with expert trainers for classical as well as western dance. Students are given regular training in the school so that they can learn the mudras, poise and rhythm, and are able to emulate their expert dance gurus. We encourage children to participate in regular dance sessions in school so they can improve their flexibility, range of motion, physical strength, and stamina. It promotes holistic health.

MUSIC

Music-Hindustani & Western, Vocal & Instrumental, is a part of the learning ethos at RPS. The students are trained by enthusiastic & well trained teachers, and choir singing is part of the everyday curriculum. Individual training in music is also encouraged.

YOGA

RPS also provides a yoga room which can help children recover their self- esteem and confidence, restore their mental health, promote positive attitudes, improve concentration, and reduce stress and anxiety. Increased strength and flexibility allow daily tasks to be handled effortlessly, and meditation provides calmness and peace of mind that improve a student's academic performance.

THE CHESS HAVEN

RPS provides a dedicated chess haven – an area designed to inspire and facilitate the growth of chess enthusiasts among students. This space aims to foster critical thinking, concentration, and sportsmanship, providing a conducive environment for our young chess players.

SWIMMING POOL

Swimming is without a doubt the most effective type of exercise for students in terms of keeping them emotionally and physically fit. 5 reasons for learning to swim should be: ample future opportunities, a healthy body and balanced mind, readiness for life, building team spirit, and time management.

Finding a swimming facility and a trainer can be tough at times, but having it at school itself is the best, you could wish for.

NCC

RPS has successfully implemented NCC classes for high school students at its various branches including RPS Rewari, RPS Dharuhera, and RPS Gurugram Sec. 89. The National Cadet Corps serves as the youth wing of the Armed Forces, providing voluntary participation opportunities for school and college students.

Cadets from RPS Schools have actively engaged in numerous community service initiatives, and have enthusiastically participated in training programmes such as 'Rifle Shooting'. These experiences have not only enhanced their skills but have also instilled values of character, camaraderie, discipline, and a secular perspective.

The objectives of the NCC - 'Developing character, comradeship, discipline, and a secular outlook' - are effectively being realised within the walls of RPS Schools.

GYMNASTICS

The gymnastics room stands as a testament to our commitment to providing students with a dynamic and well-equipped space for physical development. Through this dedicated facility, we aim to develop love for gymnastics, promote physical fitness, and instill valuable life skills such as discipline and perseverance in our students.

RPS MARCHING BAND

RPS is proud to have 'BAGPIPE –a marching band' that practices and performs drills and parades outdoors. The Bagpipe Brass Band has instruments like Bass drums, Side drums, Cymbals, Bugles, Flutes, Trumpets, Tubas, and Trombones.

ARTIFICIAL INTELLIGENCE, INFORMATION TECHNOLOGY CODING

- Students will explore the emergence of Artificial Intelligence in various fields such as health care, security, agriculture, entertainment, service and transportation.
- Students will learn about virtual reality, robotics, and technological advancement.
- Students will learn about programming, logical operations, creative loops, and functions in depth.
- Students will learn about python, advanced sequencing, and programming with arrays. Students will learn about various aspects of coding.

HANDICRAFT

- Handicraft generates the interest of the student in creativity and imagination.
- Students learn about reusability of waste materials, most of the handicraft requires cognitive thinking which makes the students mentally agile.

Cambridge Curriculum at RPS International, Dharuhera

Pioneering Excellence in Global Education

Cambridge International Curriculum

RPS International, Dharuhera, proudly stands as a paragon of progressive pedagogy, being the inaugural institution in the region to embrace the globally acclaimed Cambridge IGCSE Curriculum. This groundbreaking initiative underscores our unwavering commitment to fostering holistic development, academic prowess, and an unparalleled global perspective in our learners.

The Cambridge Curriculum, synonymous with intellectual rigor and breadth, is meticulously designed to cultivate critical thinking, analytical reasoning, and creative problem-solving. Anchored in the tenets of inquiry-based learning, it transcends the confines of rote memorization, inviting students to delve deeply into interdisciplinary concepts and real-world applications.

At RPS International, the curriculum is tailored to nurture autonomous learners who are not merely repositories of knowledge but are dynamic thinkers, adept communicators, and conscientious global citizens. The diverse and flexible framework encourages intellectual curiosity, engenders cultural sensitivity, and equips students with the aptitude to navigate an increasingly interconnected world.

Our pedagogical approach amalgamates state-of-the-art methodologies with a robust support system, enabling learners to excel in the rigorous IGCSE assessments. The curriculum encompasses an eclectic array of subjects, empowering students to craft personalized academic trajectories aligned with their aspirations and proclivities.

With an unwavering focus on academic distinction and character building, RPS International is setting an indelible benchmark in educational excellence. By offering the Cambridge IGCSE Curriculum, we not only prepare our students for the competitive global landscape but also imbue them with the resilience and adaptability requisite for future triumphs.

RPS International, Dharuhera—where vision meets veracity, and learning transcends boundaries.

PRINCIPALS' MEET-2024

The esteemed precincts of RPS International School, Dharuhera, and RPS International School, Sector 89, Gurugram, witnessed the Principal's Meet-2024. The event at Dharuhera was graced by the distinguished presence of our Honourable Chairperson RPSGOS, Dr.Pavitra Rao while the congregation at Sector 89, Gurugram, was presided over by Honourable CEO RPSGOS, Er.Manish Rao. These assemblies served as a confluence of visionary leadership, fostering a profound exchange of innovative ideas, strategic deliberations, and a resolute commitment to advancing academic excellence across the RPS Group of Institutions.

GENERAL RULES

ADMISSION

- Age Criteria: Nursery – child should be 3+ on 30th September of the year in which the admission is sought.
- Prep – child should be 5+ on 30th September of the year in which the admission is sought.
- Class 1 – child should be 6+ on 30th September of the year in which the admission is sought, and so on.
- A student seeking admission to the school is registered only after the completed registration form is submitted to the school.
- Pupils who have attended another school cannot be admitted until a transfer certificate duly countersigned by an authorized signatory from the earlier school is produced.

WITHDRAWALS

- A student admitted to the school with all admission formalities furnished is refunded only the caution fee if he or she wants to withdraw from the school.
- Withdrawal notice must be given within 30 days of the last date of the just completed term.
- No refund of fees for withdrawal during the term.
- If withdrawal is due to medical grounds acceptable to the Principal, 25% of fees will be refunded if the absence is for half a term or longer.
- Those who leave the school in May must pay the fee for the month of June.

- One clear calendar month's notice in writing or a month's fees in lieu of such notice must be given before a student can be withdrawn.
- Transfer certificate is not issued until all dues of the school are settled.

STUDENTS CAN BE ASKED TO LEAVE THE SCHOOL ON THE FOLLOWING GROUNDS

- Disciplinary: Unsatisfactory progress in academics.
- Detention or repeated detentions in class.
- As a rule, only students who can take the school leaving examination and are under 18 years of age will be retained on the school's rolls.
- A student who fails twice in the same class will not be allowed to continue their studies at the school, especially if they are below average in that class.
- When a withdrawal occurs due to the above reasons, there will be no charge of a month's fee in lieu of notice.
- Leave for going out of station must be approved before taking leave.
- In case of an emergency, parents will be informed and must report to the principal. Parents are not allowed to go directly to the classes.

OTHER RULES

- Parents/Guardians must adhere to all school rules. The decision of the Principal is final in all disputes.

- Parents/Guardians are expected to allow and encourage their children to participate in compulsory curricular and extracurricular activities during their time at the school.
- If there is damage to school property or loss of library books, the cost will be recovered from the parent of the student responsible.
- All parents/guardians are advised to check the website regularly for timely information.

LATE ARRIVAL IN SCHOOL

- The school gate closes 15 minutes prior to the school timings in summers and winters.
- If students arrive after the gate has been closed, they will need to be accompanied by their parents.
- Three late arrivals will result in the student being sent back home.

HOSTEL FACILITIES

RULES & NORMS

Mahendergarh, Hansi, Kosli, Behror & Kanina campuses have well-maintained AC/Non-AC hostels for boys and girls of Junior, Middle, and Senior classes. Recreation and indoor games are well provided in the hostels. Solar plants facilitate ever-ready hot water in the hostels, in addition to other modes of heating water. The hostels are managed by the hostel incharges and prefects. The Warden-in-Chief supervises the functioning of all the hostels. There are full-time maids looking after the children and managing the hostels.

- To enable the children to settle down quickly and properly, the parents of newly admitted children are not permitted to visit their wards during the first 30 days from the date of admission except in emergencies.
- Parents and other authorized persons may visit the students after 30 days from the date of admission on the third Saturday and Sunday of each month, between 11:00 A.M. to 5:00 P.M. In exceptional circumstances, prior written approval of the Principal may be obtained to visit the child, once in a session, on a different day.
- Parents are not permitted to visit the classrooms, hostel, and dining hall of the school. They are required to wait for their wards in the Visitors Room.

MESS MANAGEMENT

A Mess Committee, composed of members from the Academic Faculty, Admin. Staff, Head Boy, Head Girl, Class

Representatives, and Mess Manager, plans and prepares a monthly mess menu and ensures that students get a palatable, nutritious, and well-balanced Veg/Non-Veg diet. A qualified, competent, and experienced Mess Manager supervises the preparation and service of food. Canteen facilities in the school premises are available on fixed days for different hostels.

GENERAL SERVICES

Services of a tailor, launderer, cobbler, and hairdresser (for children other than those of the Sikh Community) are available in the school.

HOSTEL RULES

- All students must arrive at or depart from the school on the specified dates, either with the school group or individually accompanied by their parents/guardians.
- Residential students are required to have only the designated clothing and books.
- Any pocket money given to students must be handed to the hostel-in-charge, who will distribute it to the students according to school rules and keep track of it.
- Leaving the hostel without prior permission is strictly prohibited, and anyone who does so will face strict consequences.
- Parents/Guardians can visit their children only with prior permission.
- Bringing unauthorized items or clothing is strictly prohibited, and any such items will be confiscated. Residential facilities are available for students from class 4 onwards.
- Local guardians, in the absence of parents, are permitted to visit or take the child twice a month on Sundays or school holidays, subject to the Principal's approval.
- During the terms, students are only allowed to leave for their siblings' weddings. For such occasions, the child can spend 2 nights at home plus travel time, provided we receive advance notice and clear travel instructions.
- Visiting home for family deaths or serious illnesses will be allowed at the Principal's discretion.
- Leave may be granted for specific student treatments if recommended by the school's medical officer.
- All leave requests must be made to the Principal by

parents or guardians. *No leave will be granted at the student's request. Leave requests via Fax/email will only be considered in urgent situations. No student can leave the hostel before 2 months.

- Parents are allowed to speak to their children on the hostel telephone once every 15 days.
- Hostellers are not allowed to bring transistors, iPods, cameras, MP3/MP4 players, expensive watches, or other costly items to school.
- **MOBILE PHONES ARE STRICTLY PROHIBITED**
