RPS
PUBLIC SR. SEC. SCHOOL, NARNAUL

*Where
Dreams
come True*

Dear Parents

There is no lockdown on learning. To ensure learning with safety at home, the school has designed the following process for our students from April 1, 2020:

1. The class incharges would soon send a time table for learning at home. Kindly assist your child in following the same.
2. Teachers would be providing videos lectures through digital classrooms containing chapter wise explanations followed by worksheets and assignments.
3. Ample time would be given to your child to understand the content. The worksheets and assignments would foster sense of self-study in your child.
4. Queries related to any chapter, worksheet or assignment can always be put on groups and the teachers would definitely get it solved.

*Your kind support and cooperation will be highly appreciated. Stay at home, Stay safe!

Regards

Dr. Pavitra Rao

Chairperson, RPSGOI
