MESSAGE FROM THE PRINCIPAL

Online Classes of Grade XI

Dear Parents,

Greetings of the day ,

In this situation of crisis and emergency, hope you all are safe and following the regulations of the government related to COVID-19 lock down period. As we are not certain about the span of the lockdown period, Harsh International School has decided to continue new academic session online for students. This is the time when we all need to upgrade ourselves with new information and communication technology and make use of whatever resources we have. The important aspect is to focus meaningful engagement of the students via online learning management system. Please refer to the following points and co-operate us to make our e-Pathshala (Online learning system) a success for students and various other stakeholders.

1. Class XI- Science WhatsApp group is formed, all the information & circulars will be given to you through this only.
2. You need to download “Cisco Webex Meet App”. To participate online classes. Link of the app will be given in the group only.
3. Timetable for class 11 is being posted in the WhatsApp group. Be Punctual.
4. Student need to send “Present” to your class Teacher Daily Between 08:40 am to 08:45 am. Only those students will be marked as present.
5. All other information will be given time to time kindly be in touch with the Class teacher & Subject Teachers.
