

ANNUAL REPORT

2021-22

It is my privilege to present the glorious history of our institution, Ahir College, Rewari. It is one of the oldest colleges in Haryana which was established in 1945. Hon'ble Rao Birender Singh, Ex. Chief Minister & Union Agriculture Minister of India articulated his vision of distinctive institution against the backdrop of regional history and in the context of the aspirations and needs of contemporary society. His far-sightedness, vision and distinctive practical approach to life have been imbibed, absorbed and followed by our enlightened students.

Ahir College has been committed for imparting quality education to all since its inception in 1945. It brings waves of emotions when I take you down the memory lane . . . a journey an education yatra- as I have been the part of this glorious institution since 1984.

Let me have the privilege to tell you about the special features of our college:

- Highly educated, experienced and dedicated faculty members.

Our college also provides students with a rich and vibrant campus life that gears up their personal growth and support them in their transition to responsible adulthood in a rapidly changing world. Hence different facilities in academic, sports and co-curricular activities are provided to boost the achievements of our students in their respective fields.

The premises of any college campus come into limelight due to the different glorious performances in academic arena. The success of any educational institution depends upon the fact how it caters to the need of the masses and fulfils the aspirations of the society. So our college admits students solely on the basis of their academic qualifications irrespective of their caste, colour and creed. The creation of a multi-cultural co-educational academic community is both a means and an end in the mission of the institution.

In the present session, we have around 3000 students enrolled in our college. We are running Graduate and Post-graduate courses like B.A., B.Sc. (Med. & Non-Med.), B.Com., B.B.A., B.C.A., and M.Com. The college is run with the help of capable, highly educated, accountable and dedicated faculty members. As I look back, this academic year (2021-22) has brought many accomplishments.

ACADEMIC ACHIEVEMENTS:

Like the previous year, the result of this academic session also proved much better. Many students of our college secured the positions in university's merit list and came out with flying colours in this session which is a matter of great pride for all of us.

For this, I want to congratulate all the faculty members and the students for their whole heartedly dedication and spectacular contribution for such academic achievements.
