## Annual Report – 2020-2021

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

1. As a regular practice followed every year, this session began with the online Orientation Programme of the new admissions for classes Pre-Primary to XI. The programme made the parents aware of the scheme of education we impart here at our school.
2. Keeping ourselves up with the pace of the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents.
3. Having the school completely digitized has innumerable advantages to the parents.
  - Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the SCHOOL APP and through the WEB PORTAL.
  - Parents and teachers have been brought closer as this software provides a direct upload of the daily homework on the online portal parallel to what's given in the classroom, so that parents too are apprised of the daily homework given in classroom and the same can be enforced at the parents' end too.
4. As a new endeavour, we took a giant leap in the examination procedure this year by replacing the conventional regime of manually prepared Reports-cards by the teachers with Computer Generated Report-Cards. This transformation minimized the efforts of the teachers to manually fill in the Report-Cards all by themselves.

5. With the sole purpose of updating teachers' knowledge, the school hosted a series of Online Teachers' Workshops. It was an attempt which inclusively engulfed various significant aspects like NEP 2020, Life Skills by CBSE, Workshop for Curriculum, Classroom Management, Gender Sensitivity, Stress Management, Moral values and Teaching of English Language, Science, Social Science and Mathematics.

6. To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through online inter-house and inter-class competitions such as debates, Quiz, Rangoli, Declamation, Creative-Writing, Spelling-Bee, Rhyme and Rhythm, Drawing and Power-Point competitions.

### **Our students did not take part in Inter-School Competition due to Covid-19.**
