VISION

Together we will inspire a love of learning and help all children to achieve their personal goals, now and in the future. This is our vision to combine our rich heritage and human capital with emerging global best practices in education to create and foster an environment of excellence in learning.

MISSION

We are passionate about offering children an exciting, stimulating and rich curriculum based on real reasons for learning. Our mission is to play a pivotal role in the positive development of the cognitive, emotional, social and physical faculties of our students. To provide a safe, compassionate, collaborative and stimulating ecosystem that will help our children emerge as balanced individuals with higher aspirations, and encourage them to discover their true potential.

Education Evolution by Angels School.

Progressive Curriculum

Program for Socio-Emotional well being

Advanced sports infrastructure

Scientifically informed facility design

Value Based Activities

FROM THE DESK OF THE DIRECTORS

Mr.Narender Yadav

Ms.Sunita Yadav

Our commitment at Angels Palace International School is to provide a safe and intellectually challenged environment that will empower students to become innovative thinkers, creative, problem solvers and inspired learners prepared to thrive in the twenty first Century. Therefore our main goal is to strive insistently for providing quality education and training in various fields, so as to empower our students to develop real life solutions .We teach our angels with love and help our children to learn with love. So they learn to love and love to learn. We wish good luck to each child for their new & beautiful journey with APIS.

“Our school reflects a deep understanding of how children learn. Both the curriculum and the architecture are born out of behavioral science. Our classrooms and community areas have been designed to nurture individuals and collaborate learning at first.”

PRINCIPAL'S MESSAGE

Ms. Kalpna Kashyap

Ms. Kalpna Kashyap is masters in English and Education and have vast experience of around 15 years in education, as school leader in various reputed schools of Gurgaon.

She is a motivational speaker, associated with various NGO and received many awards like Radha Krishna Samman, Gurgaon Achiever Award, Women of Substance, Influential Indians Awards and many more. Ms. Kashyap is frequent speaker in conferences, workshops and webinars

"I congratulate you as a parent to choose our school for your ward's future education. Our school is committed to serve quality education with strong roots of our tradition and culture with modern competency based learning. We promise you to inculcate physical, social, mental and spiritual skill development in our each student. Additionally, it has been discovered by research that students learn and develop complex thinking skills by cutting across subjects and emulating real life situations in a collaborative environment. Emotional safety, empathy and compassion are essential not only for socio emotional growth but also facilitate creativity and deeper understanding of the event to create an integrated learning environment."

Ms Kalpna Kashyap

Principal

APIS

A Glimpse on School Facilities

Air Conditioned & Digital friendly classrooms.

Digital classrooms are time saving tools that help to keep focus on students, comfortable environment makes class more productive, collaborative and meaningful for students. They get long-lasting knowledge and with time saving.

CCTV Surveillance in Campus.

CCTV surveillance in school campus deters theft, vandalism and reduces bullying and antisocial behavior. It highlights the area of improvement, improves students and keep their belonging safe. It helps school management to identify the unauthorized visitors. Our whole campus is under CCTV Surveillance to strengthen the safety measures.

Activity Room & Swings for toddlers.

Toddlers need more interesting environment for learning, because they feel excited with colours, swings, games, fun learning aids.

AC & GPS enabled Transport System.

Safe & secure Transport System builds strong

Foundation of a school. Our transport system is fully AC & GPS enabled. So that our parents and students feel safe and comfortable during their journey.

Music & Dance Rooms

Entertainment, hobby classes and passion to learn musical activities makes the students more creative and innovative. They learn with full enthusiasm in music and dance rooms. It creates more impactful learning environment.

Math Lab setup by NIIT Team

Students take full interest in Maths subject, when our teachers teach them with creative and practical based teaching in Maths lab (Setup by NIIT Team.)

Science & Computer Labs

APIS have well setup and fully installed Science and Computer Labs. Practical in science lab and computer lab gives more knowledge and impact on their learning outcomes, from this kind of learning are excellent.

A Green & Vast Play Ground

A lush green, big and well maintained play ground is provided to enhance student's physical & social strength. Students enjoy to go there with class mates for games and conduction of assembly.

Basketball, Volleyball & Badminton Court

APIS have Basketball and Volleyball court to inculcate sports excellence skills in our students to strengthen their physical development and social skills.

Skating, Boxing & Karate Coaching

We organize class activities on every Wednesday & Friday for all students. Coaches for Volleyball, Skating, Boxing and Karate train the students to excel in these games. We provide best sports facilities to our learners.
