TEENAGE TURMOIL

Oh yes , I reached teenage,
The age of dilemma , excitement and fear of stage,
The time when lectures and lessons are a common thing,
When I should get serious, but life is stuck on the swing,
When I should think about IIT and NEET,
But I couldn't care less about how many chocolates my brother eats
When I'm sleeping, while I should be awake.

Oh yes , I made that mistake,
Oh yes, I reached teenage
The time when PS4 and mobiles seem bewitching,
But, as exams approach, heart starts twitching
"Shape your life in these years",
Is the line that we commonly hear
When I should be studying for my tests,
But all I think is "should I buy that dress?"
When we get to know the difference between real and fake,
Oh yes, I want to give life another take,
Oh yes, I reached teenage

Riddle

1. What follows you everywhere but can't be caught?
2. What goes up and down but never moves?
3. I have no eyes, ears, or legs, but I can help you move earth. What am I?
4. What is as big as an elephant but weighs nothing?
5. When does Friday come before Thursday?
6. If an electric train is going south, what direction is the smoke going?
7. Why do lions eat raw meat? Answer: Because they don't know how to cook.
8. How can a pants pocket be empty but still have something in it?

Answer:

1. Your shadow
2. A flight of stairs
3. earthworm
4. elephant's shadow
5. In the dictionary
6. There is no smoke – it's an electric train
7. Because they don't know how to cook
8. If it has a hole in it

क्यों डरता है

कोने में बैठ कर क्यों रोता है,
यूं चुप चुप सा क्यों रहता है।

आगे बढ़ने से क्यों डरता है,
सपनों को बुनने से क्यों डरता है।

तकदीर को क्यों रोता है,
मेहनत से क्यों डरता है।

झूठे लोगो से क्यों डरता है,
कुछ खोने के डर से क्यों बैठा है।

हाथ नहीं होते नसीब होते है उनके भी,
तू मुट्ठी में बंद लकीरों को लेकर रोता है।

भानू भी करता है नित नई शुरुआत,
सांज होने के भय से नहीं डरता है।

मुसीबतों को देख कर क्यों डरता है,
तू लड़ने से क्यों पीछे हटता है।

किसने तुमको रोका है,
तुम्ही ने तुम को रोका है।

भर साहस और दम, बढ़ा कदम,
अब इससे अच्छा कोई न मौका है।

जन्माष्टमी

जन्माष्टमी हिंदू धर्म का एक प्रमुख त्योहार है। यह भगवान श्रीकृष्ण के जन्मदिवस के रूप में मनाया जाता है। यह त्योहार हर साल भाद्रपद मास की अष्टमी तिथि को मनाया जाता है। श्रीकृष्ण का जन्म मथुरा में हुआ था। उनका जन्म कंस के कारावास में हुआ था। कंस श्रीकृष्ण को मारना चाहता था, लेकिन श्रीकृष्ण ने जन्म लेते ही अपने माता-पिता को यह संदेश दिया कि वे उन्हें गोकुल में नंद बाबा और यशोदा माता के पास छोड़ दें। जन्माष्टमी के दिन लोग व्रत रखते हैं। रात को बारह बजे भगवान श्रीकृष्ण का जन्म मनाया जाता है। मंदिरों में झांकियां सजाई जाती हैं। लोग गीत और भजन गाते हैं और भगवान कृष्ण की पूजा करते हैं। दही-हांडी उत्सव भी इस दिन का एक महत्वपूर्ण हिस्सा है। इसमें लोग एक दूसरे के कंधों पर चढ़कर मटकी फोड़ने की कोशिश करते हैं। यह खेल श्रीकृष्ण के बचपन की लीलाओं की याद दिलाता है जब वे गोकुल में माखन चुराते थे। जन्माष्टमी का पर्व हमें भगवान श्रीकृष्ण की लीलाओं और उनके उपदेशों की याद दिलाता है। यह त्योहार हमें सच्चाई और धर्म के मार्ग पर चलने की प्रेरणा देता है। इस दिन लोग एक-दूसरे को शुभकामनाएं देते हैं और मिठाइयों का आदान-प्रदान करते हैं। जन्माष्टमी का पर्व हमारे जीवन में खुशी, उत्साह और धर्म के प्रति आस्था का संचार करता है। यह त्योहार हमें भगवान श्रीकृष्ण की महान लीलाओं और उनके उपदेशों को याद करने का अवसर देता है।

In the lane of dreams, aspirations reside
A million desires, in gleaming eyes
A symphony of hopes, where souls revive
Where nothing but success thrives

A realm of ambition guided by desire
Where passion ignites the flames of fire
Driven by the will to rise
All led by ambitions to touch the skies

The magic of dreams shines so bright
Even the brightest stars seem dim in light
Dreams are the music that tranquilizes the soul
The part of us, which makes us whole

But dreams and aspirations remain out of reach
If you only believe and conceive
For the beauty of dreams blooms in strife
Success is a reward born of sacrifice

Let us dare to chase our dreams
With fiery passions and determined gleams
Let us dance to the rhythm of our dreams
Embracing the journey, however tough it seems

In a thousand words the poem tries to convey,
The magic of dreams that pave our way
Let them guide you, inspire you and make you fight
For the tougher the adversities, the brighter will be your light

कृष्ण गाथा

देखो सारे क्या कहते है किशन कन्हैया इस जग से,
रह सकते हो तुम सब सारे क्या कह मैं मैं को ताज के ?
कृष्ण पक्ष के कृष्णा रात्रि जब अति अँधियारा था,
जाग धन तम के हारण हेतु, कान्हा तभी पधारा था।
जाग के तरणहार श्याम को,
माता कैसे बचाती थी,
आँखों में काजल का टीका , धर आशीष दिलाती थी।
और कान्हा भी लुक के चिपके ,
कैसे दही छिपाते थे ,
मिट्टी को मुख में धारण कर पूर्ण ब्रह्माण्ड दिखाते थे ।
गोपियों के वार्ता चुराकर मर्यादा के पाथ बताये ,
द्रौपदी के वस्त्र बढ़ाकर , मर्यादा भी खूब बचायी ।
इस जाग को रचने वाले भी कहलाये है माखन चोर ,
कभी गोवर्धन पर्वतधारी कभी युद्ध को देते छोड़ ।
ओठों पे कान्हा के जब मुरली गैया मुस्कराती थी ,
गोपी तजकर लाज वाज सब पीछे छोड़ आती थी ।
अति प्रेम राधा से करते कहलाये थे रचे श्याम ,
पर जाग के हिट कान्हा राधा छोड़ चले थे राधेधाम ।
पर द्वारिकाधीश बने जब तनिक नहीं सकुचाये थे ,
मित्र सुदामा साथ बैठकर दिल से गले लगाए थे ।
देव व्रत जो अटल अचल थे भीष्म प्रतिज्ञा धारी ,
जाने कैसा भीष्म व्रत था वस्त्र हरण मौन धारी ।
इसलिए कान्हा ने रण में अपना प्रण झूठलाया था ,
भीष्म पितामह को प्राण का हेतु क्या ये समझाया था।
जब भी कोई शिशुपाल हो तब वह चक्र चलाते थे ,
अहम मान का राज्य फले तब धृष्टि वक्र उठाते थे ।
इसीलिए तो द्रोण , कर्ण , दार्योधन का संहार किया ,
और पाण्डव सत्यानिष्ठ थे , कृष्ण प्रेम उपहार दिया।
अरे विषधर जिनसे थर थर काँपे,
पर्वत जिनके हाथी नाचे,
इंद्रदेव का मैं भी कंपित, नतमस्तक है जिनके आगे।
पूतना, शक्तासुर, तरनावर्त असु अति अभीचारी,
कांस्य आदि के मर्दन करता कृष्ण अति बलशाली।
वो कान्हा है योगिराज पर भोगी बनकर नृत्य करे,
जरानसंध सब रण को तत्पर भागे रण से कृत्य रचे।
एक हाथ में चार जिसके, मिली मधुर बजाता है,
गोवर्धन धारी दर कर भगने खेल दिखाता है।
जैसे हाथी शिशु से भी, दर का कोई खेल रचना है,
कारक बनकर करता का , कारण से मेल करता है ।
कभी काल के मर्यादा में, अभिमन्यु का प्राण दिया,
जब ज़रूरी परीक्षित को, जीवन का वरदान दिया।
सब कुछ रचते है पर रचकर ना संलिप्त रहे,
जीत हार के खेल दिखाते, कान्हा हर दम तृप्त रहे।
वो व्याप्त है नभ में जल में, चल में थल में भूतल में,
बीत हुआ पाल भूत आज भी, आने वाले उस कल में।
उनसे ही बनता है जाग ये, उनमे ही बसता है जग ये,
जाग के डग डग में शामिल है, शामिल जाग के रग रग में।
मन में करता भाव जगह ना, तुम से वंचित धर्म रचो,
कारक सा स्वभाव जागकर जग में जगकर कर्म करो।
जग में बसकर भी सारे क्या रह सकते कह से बच के,
कहते कान्हा तुम सारे क्या रह सकते निज को तज के?

The Impact of AI on Education: Revolutionizing Learning and Teaching

The integration of AI in education has fundamentally transformed the ways of learning and teaching. In the past, education was often seen as uninspiring and monotonous for many students. However, today, the advent of gamification in learning has made education more engaging and effective. In many schools, the use of LED screens has simplified tasks for both students and teachers. These screens not only enhance students' understanding of AI but also provide educators with an efficient tool for managing assignments. Instead of spending time writing on the board, educators can now effortlessly distribute work by creating and sharing PDFs.

Riddle Me This!

1. Among the five siblings—Rahul, David, Mina, Rita, and Minnie—Rahul is dancing, David is studying, Mina is eating, and Rita is playing chess. What activity is Minnie engaged in?
2. What has eight wheels but carries only one person?
3. If you start with five oranges and then remove four, how many oranges remain?
4. Two people are admitted to the hospital. After three days, three people leave. How is this possible?
5. How many times can you subtract 10 from 100?
6. Why do you get less sleep in February?
7. All your cousins have the same uncle, but he isn't your uncle. Why?
8. You are my brother, yet I am not your brother. Who am I?
9. The more you take, the more you leave behind.
10. I can construct castles, yet I am not composed of bricks. You can grasp a thousand pieces of me.

The Changes and Challenges

There is a great confusion in the life
Where changes happen time to time.
the intervals that we can never predict but sigh
As our entire life is a rhyme.....

The changes we face are strange to us
Sometimes boring or sometimes chorus
Sometimes hard passage and sometimes easy line
But at the end gives us the taste as deep as lime.

Don't limit the time thinking the stun in your rhyme
Focus on next step by which you'll leave all behind
You'll realize, you left the problems with experience
Just take up the step, and see the stun ahead....

Now The rhyme of changes and challenges is over
You climbed up with the greatness and success..

Ishaani Dikshit

Don't give up

Don't give up
If you keep on going
And never stop
You can keep on going
You can make it to the top
Life is full of mountains
Some are big and some are small
But you don't give up
You can overcome them all
So keep on going
Try not to stop
When you keep on going
You can make it to the top

SHIZEN

Amidst the haze of pollution
There is no place for conservation
At present, the Earth is deprived,
Every day it struggles to survive

Let's join together to conserve its might
With sustainable development as our
guiding light
Why not make the subsequent time bright?

Let's come together and build a home,
Where the Earth is a paradise and the
future thrives
Let's build a place where progress n
protection go hand-in-hand
Where the Earth is as firm as we stand

Raksha Bandhan

Raksha Bandhan is celebrated as a festival of peace and harmony. On this day, the sisters tie a thread or a bracelet to their brothers and the brothers, in return, promise to be their sisters' protectors for their entire life. The Rakhi, or the thread, is a pious symbol of being someone's protector. The festival traces its origins back to ancient times with many legends associated with its celebration. Raksha Bandhan epitomizes love, care, and the enduring spirit of the sibling relationship the god of death, Yama, visited his sister, Yamuna, on Raksha Bandhan. Overwhelmed by her love and hospitality, Yama offered her a special gift in return. He declared that any brother who receives a Rakhi from his sister and promises to protect her shall be blessed with immortality.

Excursion National Science Centre

Encouraging EIS's Future Leaders "The best way to learn is by doing." EIS 45 firmly believes in this motto about experiential learning and beholding this motto, organised an educational trip for classes IX & X to National Science Centre, Delhi. The trip was filled with interactive exhibits, fostering creativity and real life problem solving skills. From the wonders of biology to magic of mathematics, the trip covered it all. Additionally, the wide ranging galleries provided in - depth highlighted the importance of various resources and their conservation, inculcating in students the values of importance of saving for tomorrow. The entire visit was informative and interactive, providing students with enhanced curiosity and ignited in them a passion for innovation and discovery.

REPORTS

The Inter House Coding Competition at EIS 45 for grades III to V was an exciting event that sparked the imaginations of young coders. The aim was to encourage computational thinking and coding skills among students. Each house put forward their best efforts, creating innovative new games that showcased their coding talents. Among the impressive performances, 'Unity House' stood out by delivering a spectacular show of creativity and skill. Their dedication paid off as they took home the first prize, proving that hard work and teamwork can lead to great success. It was a day filled with enthusiasm and achievement, marking a significant step in the journey of these young coders. **Shifra-9 B**

The Inter-House Brochure Designing Competition for grades 6-8, themed on Kargil Vijay Diwas, was a stunning showcase of creativity and artistic flair. With all four houses participating energetically, the event was brimming with competitive spirit and enthusiasm. Students crafted imaginative brochures that honoured the significance of Kargil Vijay Diwas, mastering elements like balance, contrast, and layout. They gained valuable hands-on experience with design tools, transforming ideas into visual tributes. Teamwork was at the heart of this endeavour, enhancing both collaboration and innovation. This competition not only spotlighted the students' impressive talents but also paid a proud tribute to the heroes of Kargil Vijay Diwas, making it a memorable and inspiring event. **Shifra-9 B**

GIRLS SPORTS

A special assembly on World Conservation Day was conducted by Grade 4 Flamingo where the students emphasized the importance of our natural resources and conserving our environment. The morning prayer along with positive thoughts enlightened all. A special mention to the contributions of India's First Woman Environmentalist Ms.Gaura Devi was given who fiercely advocated the Chipko Movement. A pledge to protect our environment and a skit was also performed based on the theme.

Stuti-8 B

REPORTS

Rakshabandhan, a bond tied by a sacred thread of love and affection. A special and very beautiful assembly was conducted by grade 3 on the occasion of rakshabandhan in the vibrant premises of EIS 45. The students prepared very well and the students were mesmerized by the wonderful presentation of oratory skills. The assembly began with the melodious rendition of prayers followed by positive thoughts. A skit on Rakshabandhan was also presented by the students, celebrating the theme..

Ishani 6 B

Class 10th B assembly on the Quit India Movement was a poignant and inspirational event that left a lasting impact on the audience. It began with a reflective quote and a shloka ,thus setting a solemn tone. A well-delivered speech highlighted the significance of Mahatma Gandhi's leadership during this pivotal movement. The event's highlight was a moving skit, vividly depicting India's struggle for independence. The assembly concluded with a renewed sense of patriotism and a deep appreciation for the sacrifices made by our freedom fighters.

Lavishka 10 B

Grade 4 Nightingale students conducted a heartwarming assembly for Krishna Janmashtami, beginning with prayers and motivational thoughts. A soulful Sanskrit Shloka rendition captivated the audience, followed by a special mention of Indian wrestler Vinesh Phogat's contributions to sports. The students further delighted everyone with a mesmerizing dance recital and an energetic Dahi Handi performance. The well-organized event was appreciated by all, leaving a lasting impression and celebrating the festive spirit with enthusiasm.

THE SPIAN FEST

"All the world's a stage, and all the men and women merely players." - William Shakespeare once said, and the incredible talents of EIS 45 have proven just that! With unparalleled charisma and a performance that captivated every soul in the audience, our extraordinary team has triumphantly secured the 1st prize at the prestigious Intra Euro Shakespearean Drama event. This outstanding achievement is a testament to their dedication, passion, and unwavering commitment to excellence. Heartiest congratulations to the phenomenal team of EIS 45 for shining brighter than ever before and bringing home the glory!

Shifra 9 B

REPORTS

EIS 45's Plantation Drive on August 28th marked a significant step in environmental conservation. Held at Block B, Sector-50, Mayfield Garden, Nirvana County, the event aimed to emphasize the importance of trees in combating climate change and promoting ecological balance. Students Shivansh, Naisha, Gavya, Sitara, and Aarush from M3 actively participated, demonstrating their commitment to environmental protection. Esteemed guests, including Col. R.K. Sharma (President), Satyanarayan Kadyan (Coordinator), and Dr. R. Kumar Garg (Vice President), graced the occasion, inspiring and guiding participants. This drive successfully raised awareness and encouraged students to take an active role in safeguarding the planet.

Sanjeevani 10 B

REPORTS

Euro International 45 hosted a Basketball Interhouse Competition featuring schools like Suncity, Geetanjali, KR Mangalam, and Gems International. Euro International 45 secured notable positions across categories. The boys' team achieved second place in both the Under-17 and Under-14 categories, while the girls' team triumphed with a first-place finish in the Under-19 category. The competition was a showcase of talent and sportsmanship, highlighting Euro International 45's strong performance in various age groups.

Ishika 9 A

REPORTS

Metro Trains are the most modern ways of transportation especially in Urban areas and it becomes imperative to provide an exposure to our students in becoming aware of these advances. So, a well planned Metro Ride was undertaken by students of Grade 3 -5 as an Educational Trip on 31st August,24.The students were apprised of all the rules and etiquettes of travelling safely in a Metro. The students enjoyed the ride as well as learnt how to use our public transport sensibly. At EIS-45, we ensure that our students are always well prepared to adapt to new things and become confident commuters .

Shreya 10 B

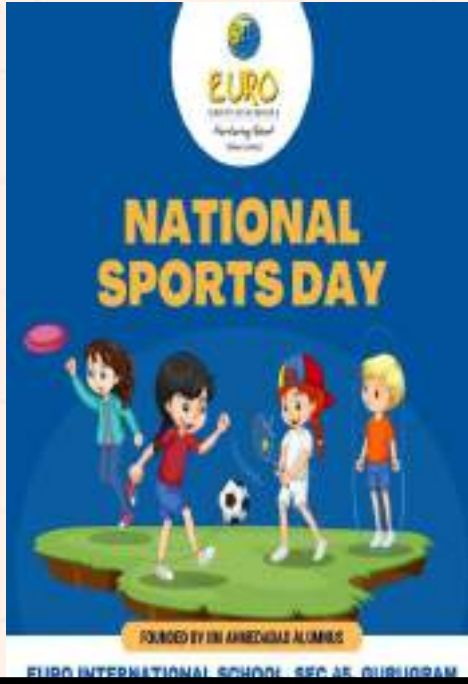

The students of Grades 1-2 were given a city tour around the different places of our city, Gurugram as part of their Experiential Learning Practises emphasised by EIS -45. The students gathered great insights about the Traffic rules and regulations. They also learnt how the Traffic Management System works to provide safer and smoother commuting to the general public. We always hope that our students become responsible citizens and make us proud.

Naisha 10 B

REPORTS

To mark the significance of National Sports Day, Montessori wing of EIS-45 organised several fun field sports activities for the young learners. The little ones enthusiastically participated in different games like tug of war, chair balancing games and many more through which the level of confidence of the students was boosted. Yati 11 B

Orange Colour Day was celebrated in the Montessori wing of EIS-45. Little kids were dressed in different shades of orange. Students enjoyed naming the different orange colour objects which they were asked to bring. The students did interesting arts and craft activities of tearing and pasting and enjoyed colouring with orange colour. All the children enjoyed the day. Shreya 10 B

PROTSAHAN

"Stories take us to the world of imagination and fantasy." EIS-45 is bursting with pride as our young star, Nandini Agarwal of Grade 2, captivated hearts and minds with her spellbinding storytelling prowess! With her impeccable articulation she secured the First Position in the Story Telling Competition organized by Mount Olympus School. We are beyond honored to celebrate Nandini's exceptional achievement, as she has proven that even the smallest voices can make the biggest impact.

Naisha 10 B

"Mathematics is the music of reason." EIS 45 feels immense pleasure to announce that Rohan of class 4 has showcased his magical math prowess by winning the school Math Competition held at Euro International School Sector 10. Competing against various schools, Rohan demonstrated exceptional problem solving skills and critical thinking, securing First Position. We are extremely honoured to have such a shining star among Euro family. Congratulations Rohan! Keep the good work up!!

Ishika 9 A

PROTSAHAN

Students of Euro International School, Sector 45, excelled at the Inter-School Competition hosted by Prime Scholars International School, securing the Overall First Position Trophy. PROTSAHAN

Euro International School is thrilled to extend its heartfelt congratulations to Jass and Saumya from grade VII for their impressive achievement in securing third place at the Math Matrix Inter-School Competition, which was organized by GD Goenka World School. This remarkable accomplishment is a true reflection of their hard work, perseverance, and dedication. Their success not only highlights their individual talents but also brings great honor to the school community. We celebrate their achievement and are proud of the positive representation they have provided for Euro International School.

Naisha 10 B

Tanish, a class 10 student at Euro International School, has achieved an impressive milestone by securing first place in boxing at the SGFI Games under the 17-year-old category at the block level. This remarkable accomplishment highlights his exceptional skill, dedication, and hard work in the sport. Competing against many talented athletes, Tanish's victory is a testament to his perseverance and commitment to excellence. His achievement not only brings pride to himself but also to his school and community, showcasing the high level of talent and potential among young athletes. This success is a significant step in his sporting career and a source of inspiration for his peers.

Yati 11 B

Kashish Malik (Class XI B) and Ankit Malik (Grade IX A) from Euro International School Sector 45 won Gold Medals at the 3rd State Boxing Championship, organized by the Boxing Federation of India. Their victory secures them spots in the upcoming National Championship. Principal Ms. Archana Singh praised their dedication and the support from their coaches and families. EIS-45 continues to nurture excellence in both academics and sports, encouraging students to achieve their best.

PROTSAHAN

Congratulations to Tanish on a Remarkable Boxing Achievement! Tanish, a student of EIS-45 has achieved an outstanding feat in SGFI boxing tournament. He has secured first position and received a Gold Medal at district level, age category under-17 and weight category 48-50 kg. He has also qualified for State Level Boxing Competition. EIS applauds him on this great achievement and wishes him luck for the next level competition!

Yati 11 B

Euro International 45 hosted a Basketball Interhouse Competition featuring schools like Suncity, Geetanjali, KR Mangalam, and Gems International. Euro International 45 secured notable positions across categories. The boys' team achieved second place in both the Under-17 and Under-14 categories, while the girls' team triumphed with a first-place finish in the Under-19 category. The competition was a showcase of talent and sportsmanship, highlighting Euro International 45's strong performance in various age groups.
