JULY NEWSLETTER

AN EXPRESSION OF THE ASPIRATIONS OF YOUNG EUROITE

DELIBERATION

by the Principal

"At Euro Group of Schools, our mission is to cultivate visionary leaders by integrating modern pedagogies with timeless values. We provide a dynamic learning environment that fosters intellectual curiosity, creativity, and critical thinking. Our commitment to global citizenship education is deeply rooted in promoting moral integrity, empathy, and social responsibility.

Through a diverse range of co-curricular activities, including seminars, Science Week, Inter-School competitions, Steam Fest and sports tournaments, we nurture well-rounded individuals who excel academically and personally. Our faculty adheres to a rigorous planning framework, ensuring a seamless blend of academic rigor and extracurricular engagement.

We are driven by the conviction that excellence is a perpetual pursuit, not a singular achievement. Our institutional framework is built on the pillars of scalability, sustainability, and success, enabling us to consistently deliver high-quality education. As we strive for excellence, our focus remains unwavering: to ignite young minds with curiosity, character, and courage.

At Euro Group of Schools, we empower students to become transformative leaders, equipped with the knowledge, skills, and values necessary to navigate complex global challenges. We believe that every child is a unique individual with immense potential, capable of making a lasting impact on the world. Our holistic approach to education prepares students not just for academic success, but for life's multifaceted challenges.

With a strong emphasis on character development, innovation, and community engagement, we foster a culture of excellence, creativity, and social responsibility. Every Euroite is encouraged to strive for greatness, driven by confidence, compassion, and a deep sense of purpose. As they embark on their journey, they will leave an indelible mark on the world, shaping a brighter future for generations to come."

Warm Regards,
Anchana Singh

Summer vacation

Summer's warmth descends upon our skin,
School's out, freedom's won, let fun begin.
Long days stretch, sun-kissed and bright,
A season of adventure, pure delight.

The beach beckons, waves crash and play,
Sandcastles rise, memories stay.
Green parks await, laughter and glee,
Picnics and fun, wild and free.

Ice cream cones melt, sweet treats abound,
Summer nights, fireflies dance around.
Stars twinkle bright, in the evening sky,
Summer vacation, a time to Fly

RIDDLES

I'm the one whose love is like a flame,
For the dark-skinned one, with a loving name.

My love is selfless, pure and true, and I loves
to a naughty boy, in the land of Vrindavan
my heart belongs to you. , I am the who that
Helps everyone, and I mercy everyone,

Tell Who am I?

VAN MAHOTSAV WEEK

"Every leaf on earth presents life."

The first week of July is dedicated to Van Mahotsav, a celebration of trees and their crucial role in our lives. Let's pledge together for a greener planet.

FOREST FESTIVAL

Into the forest we go!

Our students from Grade Mont to 2nd had a fantastic time exploring the wonders of nature during our annual Forest Festival. From cute Animals and soaring Birds to magical Forest Fairies and mighty Eco Warriors, it was a day full of green learnings and fun! Kudos to our little nature lovers!

GREEN COLOR DAY

Little ones dipped their fingers in green paint, played with leaf-eating caterpillars, and hopped their way through a fun frog race! Dressed in vibrant green outfits, they learned about the beauty of nature and the colour that symbolizes life, growth, and harmony.

Let's continue to grow green and dream clean!

MANGO PARTY

Our Montessori classes celebrated the sweetness of summer with a **Mango Party!** Little hands created delicious treats like mango jam, mango papad, and mango ice cream. The young chefs showcased their creativity and skills, relishing the juicy flavor of mangoes. A fun-filled experience that combined taste, learning, and joy, making memories to cherish forever!

HEALTH CHECKUP

Our school recently organized a health checkup program for students, conducted by a team of expert doctors **Canwin Aarogya Kendra**. The initiative aimed to assess the overall dental health as well as eye-sight test of our students.

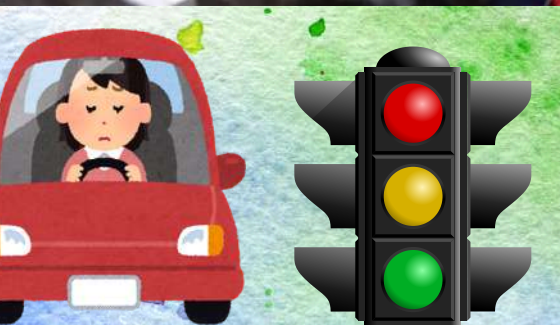

PATTERN PAINTING ACTIVITY

Our Montessori students had a blast with the **pattern painting activity**! They showcased their creativity and bringing vibrant colors to life. With brushes in hand, they explored patterns and designs, having immense fun while learning. This engaging activity developed their fine motor skills and artistic expression, leaving everyone smiling and inspired!

TRAFFIC LIGHT RULES

Our Montessori students learned **traffic light rules** in a fun way! Through interactive activities, they grasped the basics of red, yellow, and green lights. This engaging experience taught them road safety and responsibility, laying a solid foundation for future learning. The students' enthusiasm and participation made the session a delightful success!

TEEJ CELEBRATION

Teej celebrations in full swing.

Our youngest learners (Mont O - Mont 3) looked adorable in their green attire as they enjoyed a day of festive fun. The celebration included mehandi, bangles, sweets, and an exciting kite-flying session!

So much joy, laughter, and learning. Happy Teej!

SPECIAL ASSEMBLY

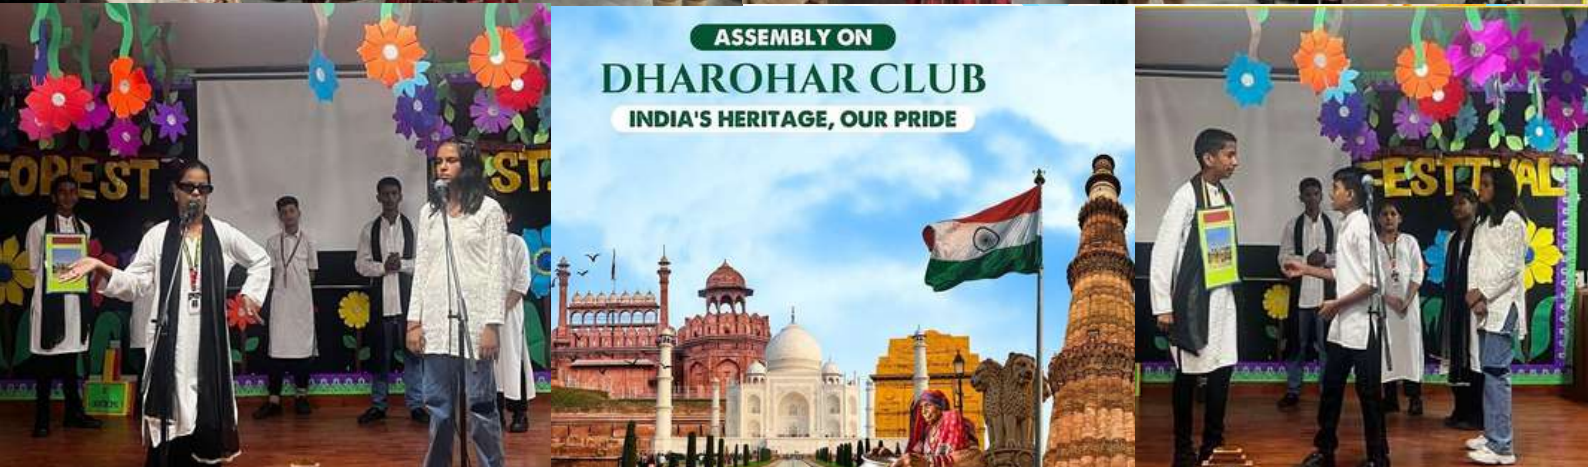

Class 7 conducted a poignant **Special Assembly on Kargil Diwas**, paying tribute to the brave soldiers who sacrificed their lives for our nation. Through stirring recitations, patriotic songs, and a solemn candlelight ceremony, the students honored the heroes of Operation Vijay. The assembly instilled a sense of pride, gratitude, and patriotism, reminding everyone of the sacrifices made for our freedom and security.

SPECIAL ASSEMBLY

Our Heritage, Our Pride.

Thanks to a memorable assembly by our Dharohar Club. The theme was simple yet profound: understanding the value of our heritage and the importance of preserving it for the future. Through a captivating skit that transported us to another era, an impressive display of their club's activities, and a compelling speech, the students wove a beautiful narrative about our shared identity.

SPECIAL ASSEMBLY

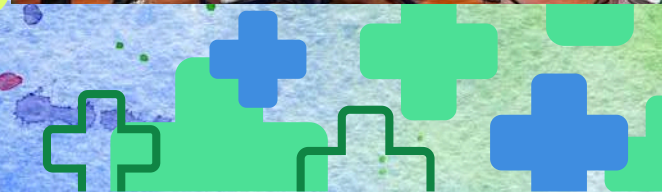

The **SQUAD club** students led an engaging assembly, highlighting the importance of quizzes and debates. Students performed skits and debates, showcasing their creativity and critical thinking. Through interactive sessions and thought-provoking questions, they demonstrated the benefits of effective communication and knowledge sharing. The assembly encouraged students to develop their confidence, public speaking skills, and intellectual curiosity, fostering a culture of friendly competition.

SPECIAL ASSEMBLY

"A healthy citizen, a successful nation."

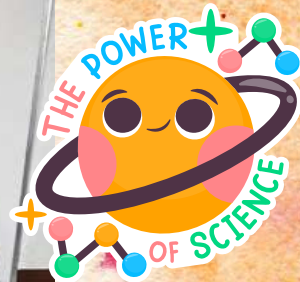

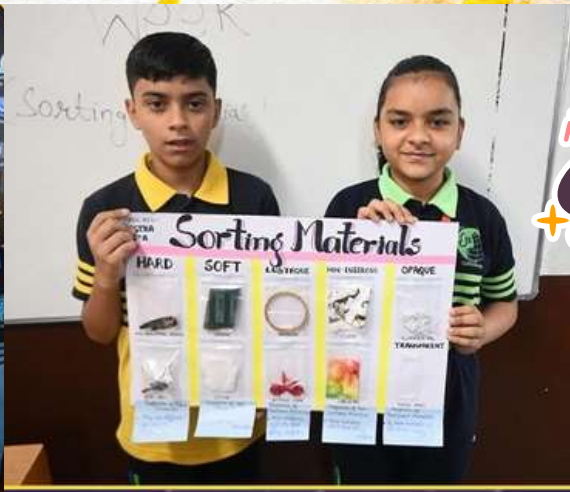

Our school's Health Club promotes physical and mental well-being among students. Through regular exercise, health awareness sessions, and activities, we encourage healthy habits and lifestyles. The club includes educating students on nutrition, fitness, and stress management. By participating in the Health Club, students developed essential life skills like doing First Aid, Etiquettes of Sneezing and Coughing and as well as busting some myths related to health issues. The students performed a lively Zumba Session to kickstart a healthy day.

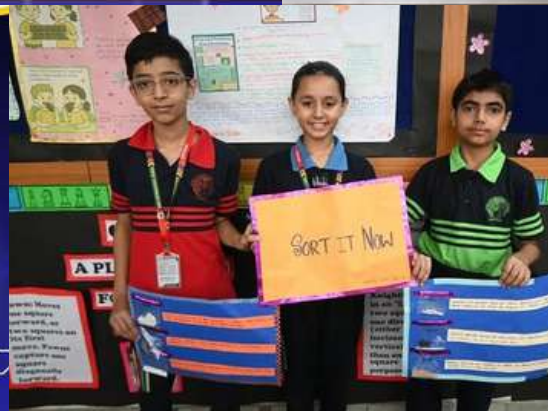

SCIENCE WEEK

SCIENCE WEEK

Our Middle school students led a science conference, showcasing their curiosity and creativity. They presented projects, conducted experiments, and engaged in discussions on various scientific topics. The conference fostered a love for science, encouraged critical thinking, and developed public speaking skills. Students took ownership of their learning, sharing knowledge and enthusiasm with peers and teachers, making the event a resounding success.

SCIENCE WEEK

"Hands-On Science, Minds-On Learning!"

The students of Euro International School actively participated in Science Week with great enthusiasm and creativity. Over the course of two days, they presented a wide range of innovative projects, including models on smart cities, food chains, human body systems, electric circuits, and eco-friendly machines. Each group confidently explained their work, demonstrating a clear understanding of scientific concepts and their real-life applications.

STEAM FEST 2025

Our school's **Steam Fest** inter-school competition was a grand success! Students showcased innovative projects and presentations, demonstrating exceptional talent and creativity. The event fostered a spirit of friendly competition, encouraging students to think outside the box and explore new ideas. Congratulations to all participants and winners! The Steam Fest experience will surely inspire future innovators and leaders.

STEAM FEST 2025

WORKSHOP

We paused, we unplugged, and we connected!

Offline is the new luxury.

Our students recently participated in a highly engaging "Workshop on No Screen Time," and the energy was incredible! The session was filled with insightful discussions and fun activities, all aimed at understanding the importance of a digital detox.

WORKSHOP

"Small hands can make a big difference!"

On the occasion of International Plastic Bag Free Day, the little Mont environmentalists of EIS - 45 came together to spread an important message – **"Say no to plastic, yes to the future!"**
