PRINCIPAL'S DESK

Dear Esteemed Parents,
With great warmth and a deep sense of purpose, I take this opportunity to share my thoughts as we continue our journey through this academic year. Every day in school reaffirms our belief in the immense potential of our students. Their progress is a reflection of their dedication, the tireless guidance of our teachers, and your unwavering support as parents. Together, we are building an environment that nurtures curiosity, discipline, and compassion, preparing our learners not only for academic excellence but also for life beyond the classroom.

We are delighted to share that the Half-Yearly Examinations were conducted smoothly and successfully. The efforts put in by teachers and students alike were remarkable—structured revision schedules, engaging online support sessions during preparatory leaves, and consistent practice ensured that learners approached their exams with confidence. The spirit of diligence was celebrated across the school, and the examinations truly became a festival of learning and growth.

With Diwali and Dussehra around the corner, the campus is filled with festive cheer. These celebrations remind us of the values of unity, gratitude, and cultural pride, while also giving our students opportunities to bond with peers and teachers in joyful togetherness.

**Warm Regards,
Anchana Singh**

Looking ahead, we remain committed to providing our students with a balanced environment where learning, creativity, and values flourish hand in hand. Through experiential learning methods such as hands-on activities, project-based tasks, and real-life simulations, we ensure that learners gain not only conceptual clarity but also practical knowledge. Every activity is purposefully designed to strengthen understanding—time spent in these experiences is not just an activity, but a powerful way to make students more knowledgeable, confident, and future-ready. This approach has led to greater engagement and deeper understanding, as reflected in both classroom participation and assessment outcomes.

On behalf of the entire school fraternity, I extend heartfelt festive wishes to you and your families. May the light of Diwali and the spirit of Dussehra bring happiness, peace, and new beginnings.

THE STORMY RAIN

When the sun light dims,
When the dark clouds come,
When the wind comes up,
And it starts to rain,
That is the best day for earth, releasing its vein..

The air very dense with a natural scent,
Soaked up from the soil in rent.
The clouds come dark,
The winds blow fast,
And the rain comes up till last.

Thunder rolls with a mighty song,
The restless sky sings loud and strong.
Trees sway gently, rivers awake,
The earth rejoices for nature's sake,
Every drop writes a verse so long.

Nature is fresh all around,
And Hearts dance long carrying their dreams.

In storm's embrace, peace is found,
Joy and freedom all around—

The world is reborn in stormy gleams.
With happiness all around, with fresh beginnings.
