define Euroite's future.**

EURO INTERNATIONAL SCHOOL SECTOR-45, GURUGRAM

FOUNDED BY IIM AHMEDABAD

Fueling the dreams of today that will define Euroite's future.

PRINCIPAL'S DESK

With heartfelt greetings and a renewed sense of purpose, I am pleased to share my reflections as we move forward through this academic year. Each day at school reaffirms our belief in the limitless potential of our students. Together, we strive to cultivate an environment that inspires curiosity, discipline, empathy, and excellence—preparing our learners to shine not only in academics but also in every sphere of life.

In addition to academics, our learners actively participated in various community and value-based initiatives. A Cleanliness Drive was organized within the school and surrounding areas to instill the importance of hygiene, responsibility, and respect for our environment. Students enthusiastically took part, realizing that small actions can create a big impact.

Furthermore, our teachers attended a CBSE Capacity Building Workshop, which provided valuable insights into innovative teaching strategies, effective classroom management, and holistic evaluation methods. Such professional development programs are essential, as they empower educators to adapt to changing educational paradigms and enhance the overall learning experience for students.

OCTOBER NEWSLETTER

As we look ahead, our focus now shifts to the much-awaited Annual Day celebrations, preparations for which are in full swing. This event provides our students with a platform to showcase their talents in art, music, dance, drama, and leadership—reflecting the school's commitment to holistic growth and creative expression.

With the PA3 examinations approaching in November, our students are gearing up with focus and determination. Teachers will soon start conducting revision classes, interactive doubt-clearing sessions, and strategic practice tests to ensure that every learner feels confident and well-prepared. We continue to emphasize balanced growth—celebrating achievements while staying committed to academic excellence.

Together, let us continue nurturing an environment where learning thrives, values flourish, and every child feels inspired to achieve their best. With shared vision and commitment, we move ahead with optimism and purpose toward greater accomplishments.

**Warm Regards,
Archana Singh**

DUSSEHRA CELEBRATION

Montessori wing of EIS -45 celebrated Pink Colour Day. The dress code of the day was Pink. All the teachers and children looked amazing dressed up in different shades of pink. Pink colour objects were placed in the classes and students enjoyed recognising pink colour through different activities. The pink colour day was an amazing learning experience.

PINK DAY CELEBRATION

Montessori wing of EIS -45 celebrated Pink Colour Day. The dress code of the day was Pink. All the teachers and children looked amazing dressed up in different shades of pink. Pink colour objects were placed in the classes and students enjoyed recognising pink colour through different activities. The pink colour day was an amazing learning experience.

FOOD FIESTA

EIS-45 celebrated Diwali with a vibrant Food Fiesta! Students enjoyed sweets, snacks, and delicacies. The festive atmosphere was filled with joy, laughter, and togetherness. Wishing everyone a sparkling Diwali and a year ahead filled with light and love!

DIWALI CELEBRATION

A Sparkling Diwali Celebration at Euro International School ✨

As the golden glow of diyas sparkled in every corner, we celebrated Diwali, the festival of light, laughter, and learning! ✨ The hallways of our learning family shimmered with the vibrant hues of rangolis, the dancing flames of diyas, and the sweet fragrance of flowers.

HALLOWEEN PARTY

In our school corridors buzzed with excitement and spooky charm as students came together to celebrate Halloween with great enthusiasm. The day was filled with creativity, laughter, and a spirit of fun. Students arrived dressed in a variety of imaginative costumes— each outfit reflecting their creativity and excitement for the occasion.

CLEANLINESS DRIVE

Clean Surroundings, Happy Hearts! ✨💖

Our little Euroites from Mont 0 to Mont 3 took part in a fun-filled Cleanliness Drive, learning the importance of keeping their surroundings neat and tidy! 🌱💧 Through this hands-on activity, our young learners understood that cleanliness isn't just a habit — it's a way of life!

Let's continue to sparkle together, one clean corner at a time

DONATION DRIVE

A small act of kindness can make a big difference! With this belief, Our School organized a Donation Drive to extend a helping hand to the underprivileged sections of society. The drive aimed to instill in students the values of empathy, generosity, and social responsibility.

CIRCLE TIME

Circle Time is an integral part of our school's daily routine, designed to promote emotional well-being, mutual respect, and positive classroom relationships. During Circle Time, students and teachers sit together in a circle, creating an open and safe space where everyone feels heard and valued.

MINDSCAPE MAKERS

Students of Mont classes enthusiastically participated in various activities, exploring creativity and critical thinking. Through hands-on projects, they experienced experiential learning, fostering problem-solving skills, innovation, and collaboration, leading to holistic development and academic excellence.

GURUDWARA VISIT

As a part of experiential learning and to promote cultural awareness, the students of our school visited a Gurudwara, the sacred place of worship for the Sikh community. The visit aimed to familiarize students with the core values of Sikhism and help them understand the importance of unity, equality, and community service.

HOME VISITS

Our school's continuous efforts to strengthen the bond between teachers, students, and parents, our dedicated teachers conducted home visits to meet students and their families in their own environment. The purpose of these visits was to gain a deeper understanding of each child's background, learning atmosphere, and emotional well-being.

ROBOTICS

Euro International School has taken yet another progressive step towards future-ready education with the introduction of Robotics in its curriculum. The initiative aims to ignite curiosity, creativity, and innovation among students by blending science, technology, engineering, and mathematics (STEM) into hands-on learning experiences.

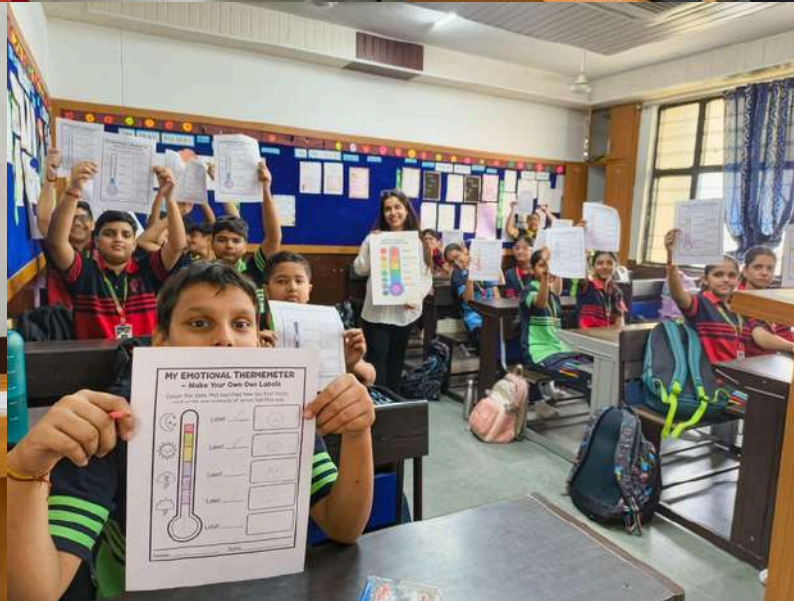

WORKSHOPS

To foster a safe, empathetic, and responsible school environment, a series of enlightening workshops on Anti-Bullying, Cyber Awareness, and Emotional Thermometer were organized in the school premises. The sessions aimed to sensitize students about the importance of kindness, digital safety, and emotional well-being.

ALUMNUS CORNER

Another Euroite soaring high!

Huge congratulations to our alumna, Krish Garg, on his phenomenal achievement of joining Christ University Bengaluru.

Your success is a testament to your dedication and the strong foundation built here. We are incredibly proud to have been a part of your journey.

Wishing you the best for your future endeavors!

EURO INTERNATIONAL SCHOOL
