MESSAGE FROM PRINCIPAL'S DESK

Dear Esteemed Parents,

As this academic year unfolds, I am delighted to witness the vibrancy, curiosity, and growth that our students bring to the school each day. Their enthusiasm strengthens our resolve to create a learning environment where children excel academically, explore their unique talents, and grow into compassionate, confident individuals. It is the shared partnership between parents and the school that empowers our learners to aim higher and achieve with purpose.

This term has been exceptionally fulfilling as we successfully organised our Annual Day, a grand celebration of talent, creativity, and teamwork. The remarkable performances by our students and the overwhelming support from parents made the event truly memorable. Such occasions reinforce our belief in the holistic development of children and the power of collaborative effort.

Looking ahead, we are excited to announce that we will soon be organising a STEAM Fest for the junior classes, designed to ignite imagination and promote hands-on learning. Through engaging activities in Science, Technology, Engineering, Arts, and Mathematics, our young learners will get an opportunity to innovate, explore, and express their ideas in meaningful ways.

Adding to the festive cheer, the school will also host a lively Christmas Carnival, bringing families together for joyful celebrations, interactive games, and creative displays. Alongside this, we are proud to continue our participation in the 'United for Air - Creating for Care' initiative, reinforcing our commitment to environmental responsibility and community well-being. These programs aim to instill in students the values of sustainability, empathy, and social awareness.

As we move forward, I extend my heartfelt appreciation to all parents for their constant support and trust. Together, let us continue to create a school environment where every child feels valued, motivated, and encouraged to reach their highest potential. May we keep progressing with shared purpose, positivity, and a vision for brighter horizons.

Warm Regards,
Archana Singh

WORKSHOP ON SNEEZING ETIQUETTE

To promote better health, hygiene, and awareness among students, our school organized an informative Sneezing Etiquette Workshop. The session aimed to educate children about the importance of maintaining proper hygiene while sneezing or coughing, especially in shared learning spaces. During the workshop, students learned the correct way to sneeze—using a tissue or the elbow fold—to prevent the spread of germs. They also understood the significance of washing hands regularly, using sanitizers, and maintaining personal cleanliness.

SPLASH ART COMPETITION

Our school had the privilege of hosting a vibrant and inspiring Theme-Based Art Competition in collaboration with Axis Bank. The event aimed to nurture creativity, imagination, and artistic expression among students, while giving them an opportunity to explore meaningful themes through the world of colours and ideas.

The competition witnessed enthusiastic participation from students across various classes. With themes that encouraged reflection, innovation, and originality, young artists poured their hearts into their artwork. Each masterpiece beautifully showcased their understanding, creativity, and unique perspective.
