## MESSAGE FROM PRINCIPAL'S DESK

Dear Esteemed Parents,

As we step into the New Year with renewed energy and enthusiasm it gives me immense pleasure to reflect on the vibrancy, curiosity, and growth our students have displayed throughout the year. Their energy and enthusiasm inspire us to cultivate a learning environment where children not only excel academically but also explore their unique talents, develop creativity, and grow into confident, compassionate individuals. The continued partnership between parents and the school remains central to our shared success, empowering our learners to aim higher and achieve with purpose.

Our STREAM Fest was a resounding success, sparking imagination and hands-on learning, with parent feedback reflecting the excitement and engagement of the students. In addition, we organised a series of refreshing excursions for both junior and senior students, offering experiential learning opportunities that were both educational and memorable.

Our students also demonstrated their creativity and analytical skills through coding competitions, brochure-making contests, and various quizzes, showcasing their talent, teamwork, and innovative thinking. The Space and Science Expo further provided a platform for exploration, encouraging students to engage deeply with scientific concepts and cultivate a spirit of inquiry.

The Christmas Carnival was celebrated with great joy and a noble purpose—every contribution collected during the festivities was dedicated to supporting the education of underprivileged children. This initiative added an extra layer of meaning to the celebration, teaching our students the values of empathy, compassion, and social responsibility.

As we step into the New Year, I extend my warmest wishes to all our parents, students, and staff. May the coming year bring continued growth, positivity, and countless opportunities for learning, creativity, and joy. Together, let us continue to nurture an environment where every child feels inspired, supported, and empowered to reach their highest potential.

Warm Regards,  
Archana Singh

# SPACE EXPLORATION

EIS-45 hosted an engaging Space Expo where students explored planets, rockets, and the fundamentals of the universe through interactive displays. They examined models, observed demonstrations, and learned how celestial bodies function, which fostered curiosity and teamwork, offering a hands-on adventure that brought scientific concepts to life.

# CODING & BROCHURE DESIGNING COMPETITION

We are pleased to share that EIS Learning family enthusiastically participated in the Coding and Brochure Making Competition conducted at school. The activity helped them explore coding concepts creatively while enhancing their design, research, and presentation skills. Our students designed impressive brochures that reflected their understanding of coding in fun and innovative ways.

# RED & WHITE COLOR DAY

This Christmas month at Euro International School, Sector 45, our Kindergarten stars painted the classroom with love, joy and festive colours! Dressed beautifully in red and white, our little learners proudly brought their favourite themed objects, displayed them with confidence and even painted charming pictures in the same colours. From tiny hands to big smiles, every moment reflected happiness, creativity and the true spirit of the season. ✨

# QUIZ COMPETITION

A Quiz Competition was organized to encourage students' curiosity, knowledge, and competitive spirit. The event aimed to promote learning beyond textbooks, helping students develop quick thinking, teamwork, and confidence. Students from various classes enthusiastically participated and showcased their talent. The competition consisted of multiple rounds including General Knowledge, Science & Technology, Sports, and Rapid Fire. Each round tested not only the participants' knowledge but also their presence of mind and decision-making ability. The audience was equally engaged, cheering for their teams and enjoying the excitement.

# TRIP TO DREAMLAND

Every child is a young inventor.

At STREAM Exhibition, a celebration of Science, Technology, Research, Engineering, Arts, and Mathematics, where young minds displayed their creativity and curiosity. This exhibition provided students from Montessori to Grade 2 with a platform to explore ideas through hands-on learning and develop problem-solving skills, confidence, and a love for discovery.

# TRIP TO DREAMLAND

Celebrating  
23  
YEARS  
of Excellence

Our students had a blast at Dreamland! The trip was a day full of laughter, adventure, and making memories! They enjoyed thrilling rides, games, and farm activities - it was a perfect blend of fun and learning! The students were beaming with excitement, and the smiles said it all!

# VISIT TO CHURCH

Our Montessori to Grade 2 students visited the church to understand and experience the importance of love, kindness, gratitude, sharing, respect, and compassion. This enriching visit helped our young learners realize that education is not only about books and classrooms, but also about building character, empathy, and a caring heart.

# TRIP TO KNMA

The Junior School students enthusiastically visited the Kiran Nadar Museum of Art, where they engaged with heritage, creativity, and contemporary expression, enriching their cultural perspective. This enlightening excursion underscored the value of experiential learning and highlighted how artistic exploration fosters critical thinking and an appreciation for diverse traditions.

# TEACHER'S WORKSHOP

EIS-45 hosted a CBSE-approved Happy Classroom workshop for teachers, fostering positivity, engagement, and well-being in learning spaces. Over 80 educators participated, sharing strategies, interactive activities, and resources to cultivate joyful environments. The event highlighted our commitment to holistic education and innovative pedagogy, empowering teachers to nurture happier, more motivated students.

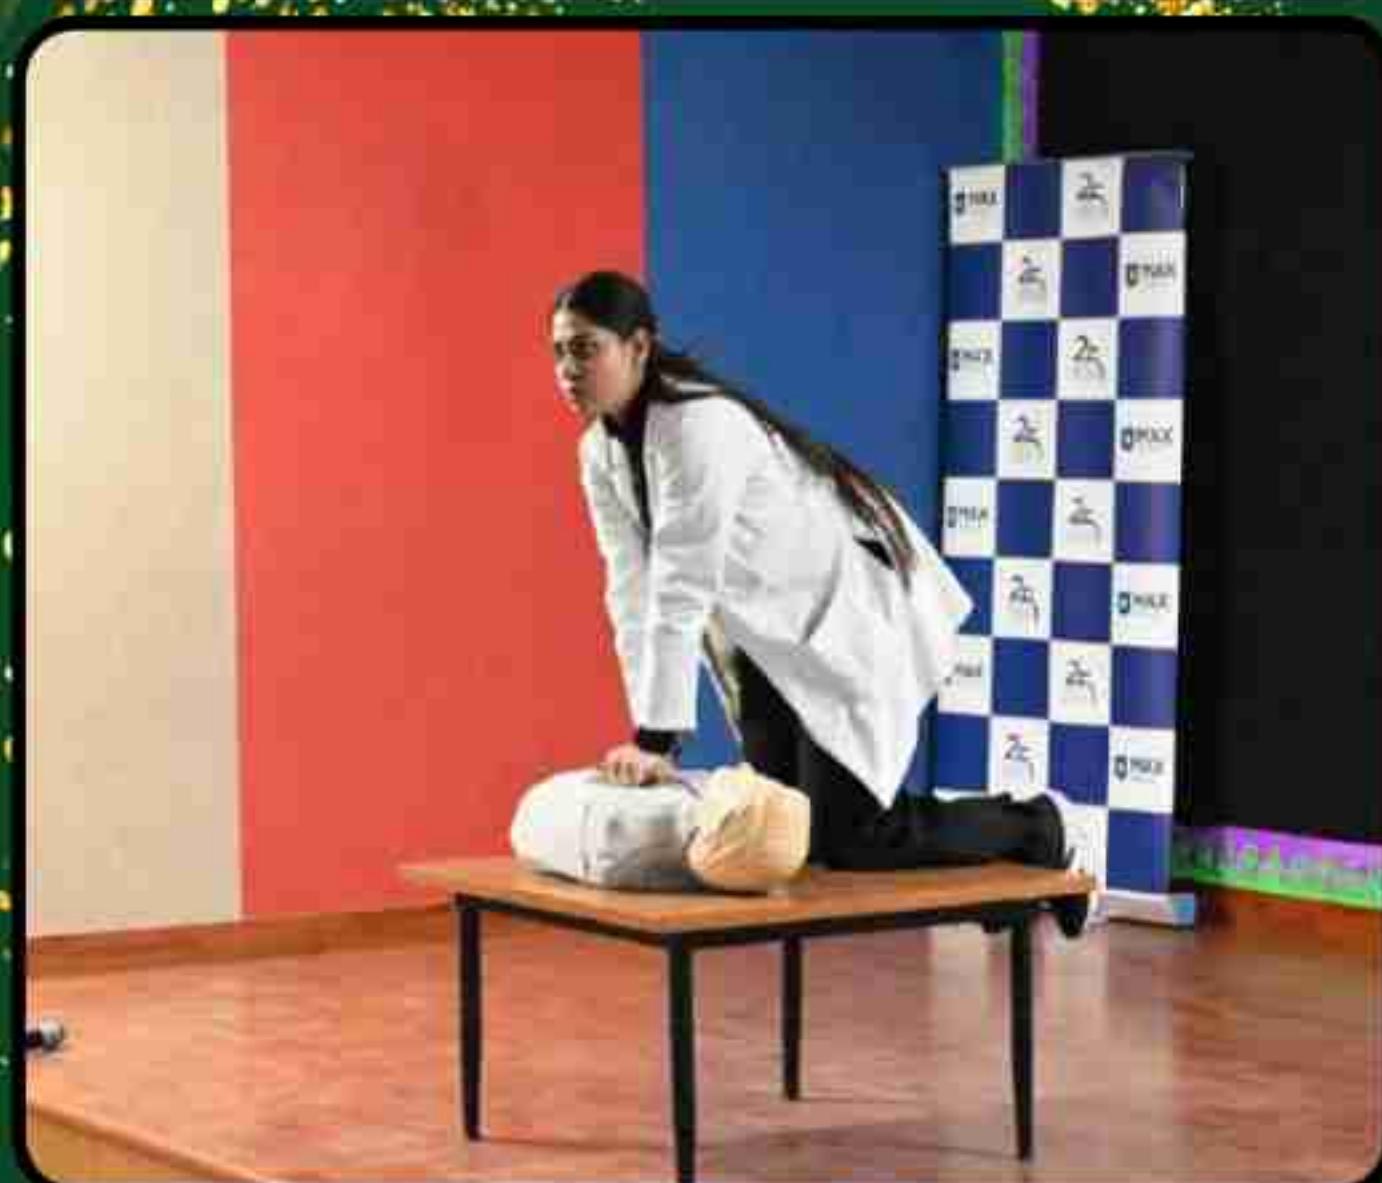

# HEALTH WORKSHOP

Our school has recently organized a highly informative CPR and First Aid Training Workshop in collaboration with Max Hospital, aimed at equipping students and staff with essential life-saving skills. The workshop was conducted by experienced medical professionals from Max Hospital, who provided hands-on training and practical demonstrations on Cardiopulmonary Resuscitation (CPR).

# CHRISTMAS CRAFT ACTIVITY

"Glue, glitter, and Christmas cheer."

The students of Montessori grade brought magic to paper with their crafts. The art activity ensured that these crafts were made with the Christmas spirit! The tiny tots enjoyed their time making snowmen and reindeer with the colours of this festival! We believe that art is the true medium to impart cultural education and this hands-on learning experience was the perfect opportunity for the kids to learn the joy of diversity in celebration of festivals!

# CHRISTMAS CARNIVAL

EIS-45 is bursting with pride and excitement as we thank every parent, student, and teacher for turning the Christmas Carnival into an absolutely spectacular, unforgettable extravaganza! Your unstoppable enthusiasm, boundless creativity, and flawless teamwork lit up the campus, turning every moment into a dazzling burst of joy and holiday magic. Together, we created a truly phenomenal, grand success—celebrating the spirit of togetherness like never before!
