### **MESSAGE FROM PRINCIPAL'S DESK**

**Dear Esteemed Parents,**

As we move ahead in the academic year, it is heartening to witness the consistent enthusiasm, discipline, and eagerness for learning displayed by our students. Each day brings new opportunities for growth, reflection, and achievement, and our learners continue to embrace these with confidence and curiosity. The collaborative efforts of the school and parents remain the foundation of our success, ensuring that students receive the guidance, encouragement, and support they need to flourish academically and personally.

The month was marked with vibrant celebrations and meaningful engagements. Lohri was celebrated with great warmth and cultural spirit, allowing students to connect with traditions and values in a joyful atmosphere. Alongside this, special assemblies were conducted across various classes, focusing on moral values, awareness themes, and student-led presentations. These assemblies provided a platform for self-expression, confidence-building, and holistic development, reinforcing learning beyond textbooks.

Our Republic Day celebrations filled the campus with pride and patriotic fervour. Through inspiring assemblies, speeches, cultural performances, and activities, students reflected on the significance of the Indian Constitution and the values of unity, responsibility, and respect. The celebration encouraged students to honour the sacrifices of our freedom fighters and understand their role as responsible citizens of the nation.

Academically, the school has now entered an important phase with systematic revision for the forthcoming Annual Examinations. Teachers are revising key concepts, addressing learning gaps, and providing ample practice to strengthen understanding across subjects. Regular assessments, worksheets, and interactive discussions are being used to help students consolidate their learning and approach examinations with confidence.

As the Annual Examinations draw closer, we request parents to continue supporting their children by maintaining a balanced routine that includes focused study time, adequate rest, and healthy habits. A calm and encouraging home environment, along with positive motivation, will greatly help students manage exam-related stress and perform to the best of their abilities. Together, let us guide our children towards success with confidence, resilience, and a positive outlook.

**Warm regards,  
Archana Singh  
Principal**
