EURO INTERNATIONAL SCHOOL 37D, GURUGRAM

Education is the most powerful tool to shape the future and bring positive change to society. With this belief, I founded Euro International School in 2003, following my enriching journey at Indian Institute of Management Ahmedabad. Beginning with our first campus in Sector 45, Gurugram, we have remained dedicated to academic excellence, holistic growth, and activity-based, technology-enabled learning beyond textbooks.

As examinations approach, I encourage every student to stay focused and confident. Prepare with discipline, manage your time wisely, and maintain a calm and positive mindset. Remember, exams are opportunities to demonstrate your dedication and perseverance. Believe in yourself, give your best effort, and success will follow.

Mr. Satyavir Yadav

Chairman

EURO INTERNATIONAL SCHOOL 37D, GURUGRAM

Dear Students,

As we approach the examination season, I would like to extend my heartfelt best wishes to each one of you. Examinations are not just a test of knowledge, but a celebration of your hard work, discipline, and dedication throughout the year. They provide you with an opportunity to showcase what you have learned and how much you have grown. Remember, success comes to those who prepare with sincerity and confidence. Stay calm, manage your time wisely, and believe in your abilities. Avoid last-minute stress and focus on revision, proper rest, and a positive mindset. Do not measure yourself only by marks. True achievement lies in giving your best effort with honesty and determination. Every exam is a steppingstone toward a brighter future. I am confident that each one of you will make yourselves, your parents, and the school proud.

Wishing you all the very best for your examinations!

With blessings and best wishes.

Mrs. Sudha Chauhan

Principal

Academic Presentations

Academic Presentation Day is a special and important occasion where students from various classes showcase their knowledge, creativity, and learning through different academic presentations. It provides them with a valuable opportunity to come on stage, speak confidently, and overcome stage fear while improving their communication skills.

Each presentation reflects the hard work and dedication of both students and teachers. Through innovative projects and informative speeches, students highlight their capabilities, talents, teamwork, and leadership skills.

It is truly a day of learning, confidence-building, appreciation, and celebration for all.

Club Activities

Club activities provide students with opportunities to explore their interests, develop new skills, and grow beyond academics. Through creative, academic, sports, and social service clubs, students enhance their talents, critical thinking, teamwork, leadership, and communication skills.

These activities encourage self-confidence, responsibility, discipline, and community involvement while promoting physical fitness and creativity. Overall, club participation supports the holistic development of students and helps transform hobbies into lifelong passions and valuable life skills.

Accomplishments

Achievements reflect hard work, dedication, and important milestones in the journey of learning. They build confidence and mark success, but they are not the final goal. Instead, they inspire us to set higher targets, work harder, and perform even better next time.

Every accomplishment encourages continuous growth and striving for excellence.

AMITY INTERNATIONAL SCHOOL

The academic session 2025-26 concludes with pride and gratitude for a year of learning, growth, and meaningful accomplishments. Our students displayed confidence, resilience, and active participation in academics and co-curricular activities, turning challenges into valuable lessons.

We thank our teachers, parents, and students for their dedication and support. With cherished memories and renewed determination, we look forward to achieving even greater success in the coming session.
